### CF Telethon Results Good

The Edenton Jaycees chaired a "satellite telephone station" for the Cystic Fibrosis Telethon on August 14. The Jaycees were located at the Farm Bureau office on highway 32 and were busy receiving calls from individuals as well as calling businesses in the area for contributions over the nineteen hours of the telethon. The total called in contribution to the Cystic Fibrosis Foundation from Edenton and the surrounding area was \$534.

The Jaycees also participated in the Telethon by Sponsoring a bucket brigade to collect money at local shopping centers. The total contribution from their bucket brigade was \$67.60. This contribution when added to the called in contributions brings the total collected from the Edenton area \$601.60.

The Cystic Fibrosis Telethon, which aired over the eastern part of North Carolina received a grand total of \$90,538 in contributions. These funds will be used for research, education and care for those persons afflicted with Cystic Fibrosis.

The Cystic Fibrosis Foundation supports two centers in North Carolina, one at Duke and the other at N.C. Memorial Hospital. The disease itself is a genetic disease which occurs once in every 1600 births. In North Carolina alone it has been estimated that there are a quarter of a million residents with Cystic Fibrosis.

The Chowan Herald has set 4 P.M. Mondays as the final deadline for acceptance of all Classified and Legal Notices. Thank you for your cooperation.
