

# The Bandon Notebook: Nation's Motto, "In God We Trust"

By Maggie B.  
Hi Neighbors! Last week the Donahue Show on TV focused on a few young men, 18 years of age, who would not "register" as required by law, claiming it violated their "rights". This distressed me - the show should have focused on the 90 per cent plus who DID register and their reasons for so doing.

I see this as a danger signal to our greatest inheritance as a country - FREEDOM! The freedom we enjoy today as a Nation just didn't happen - it cost dearly in blood, sweat and tears by our forefathers. The views of a few young men who evidently have not been educated regarding our heritage and to whom our Nation's Motto, "In God We Trust", is a fairytale, should not be aired to millions of people. These men don't have faith and confidence in our country or in their neighbor. When we get right down to it, even though they speak boldly, they actually don't have confidence in themselves! They need to be educated in the precepts of our forefathers, what our Nation is, what it stands for, what our "rights" are - and - how we got those "rights". We

must combat ignorance, selfishness, apathy, indifference and lack of loyalty and be against those who mislead us. What happens to the minds and souls of our young people is of the utmost importance.

Our country was established upon the principles of human dignity, personal freedom, and government of the people, by the people, and for the people. Freedom or death might well have been the slogan for our founding fathers. In spite of our faults and mistakes as a Nation, America is still the greatest Nation on earth and still the land of opportunity for those that seek it.

We would do well to remember the words of Gen. Omar Bradley: "In this world of ours, we are fundamentally in a race between education and catastrophe, either we will have sufficient knowledge with which to solve our national and international problems, or the catastrophe of an unwelcome tyranny is bound to overcome us in our ignorance."

This Lord's Day was a rarity - not too hot, nor too cool, but just right! The

glory of God's bounty was everywhere! On this perfect day, it was a real privilege to be able to enter the church of your choice to thank God for His countless blessings.

An atmosphere of brotherly love and fellowship prevailed at Bandon Chapel as Supt. Meta Mason enthusiastically welcomed those present for Sunday School. A beautiful lesson entitled "Silas and Titus: Workers With Paul", was taught by Deacon Wm. F. Smith. It was brought out that Silas, a Jewish Christian, and Titus, a Gentile Christian, were both chosen by churches and used by God in very distinctive ways to serve Him in missions.

Prayer List: I believe that prayer is the most powerful force in the world today and when God's people pray together, miracles happen. Please add our friends to your prayer list. George Hinton, relative of Marlyn Jean Rowley, had open heart surgery in Sacramento, Calif. last

week and asked that we pray for him; Sadie Conrad, aunt of Butch Smith, is hospitalized in Smithville, Ohio and needs prayer; Larry Jordan, husband of Joyce Jordan, had an accident Friday at work which mangled his finger. Pray that it will be healed without any deformity; Gil Holt is out of the hospital but is restricted to riding (not driving) no more than 20 miles. Please keep him in your prayers; Len Koraska is slowly improving but still needs prayer; K.J. Copeland desperately needs your prayers; please remember Dee Moor; A.J. Woolney; Mildred Carper; Elton Boswell; Robert Harvey; Jessie H. Davis and little Brad Gosser. Pray for our Nation, its people, and that God will guide the decisions made by our Leaders; remember our missionaries and our Pastor, Robert S. Harrell and his family.

At our Worship Service, Bandon's Shepard, Rev. Robert S. Harrell, brought a powerful message entitled "Search Me. O God", based

on Psalm 139:1-12; 23, 24. Resume: We go to church to praise God and thank Him for our blessings but we also need to feel and experience the forgiveness of God for the thing that hangs heaviest on most of our shoulders - a feeling of guilt. Pretty soon after we come into this world, we begin to hear "No - No's" - we begin to know that some things are against the rules. Then, as we grow older, society presents us with a set of "No - No's", as does the

government; then, we learn that the church places restraints on us and we are to live by the laws of God.

When we look down into our hearts, souls and minds, we realize that even at our best, we cannot live up to the expectations society, government and the church place upon us - so - nagging feelings of guilt begin to work on us. Our mental hospitals are full of people carrying around a burden of guilt they cannot handle.
