Appreciation Expressed To Red Cross

Many Edentonians acquired and improved their swimming skills during the recent Red Cross swimming program. Records for the final two

weeks of classes conducted at the Coach House Inn pool by Chowan County Chapter of the American Red Cross, have been prepared by instructor Elizabeth Zar-

bock and submitted to local and regional offices.

The thirteen adults who registered, the following acquired skills to become beginner swimmers; James C. Bass, Sr., Jo Ann Brothers, Joy Jones, Linda Potts, Diane Vester and Ellen White. Those who passed the advanced beginner skills tests were James C. Bass, Sr., Jo Ann Brothers, Linda Potts and Ellen White.

In the "after school" classes nineteen passed the swim test to try for advanced beginners. Of these, the following received cards and patches as advanced beginners; Jamie Bass, Tracie Brown, Mary Ann Cahoon, Tony Dail, Stephanie Goodman, Izzie Herman, Jeff Massengill, Shelley Potts and Brian Rascoe. Terri Ranson assisted with the instruction of this group.

In the second "after school" class, fifteen were enrolled. Eleven completed the two weeks of classwork and the following received cards and patches as in-

termediate swimmers; Kevin Byrum, Katy Emert, Karen Forehand, Lisa Goodman and Linda Matson.

Swimmers and parents are appreciative to Chowan County Chapter of the American Red Cross, for organizing the classes and for paying the rental fees at the Coach House Inn pool and to motel owner Mr. Pate, for his many courtesies to all who were connected with the program. Gary B. Anderson serves as chairman of this chapter.

Then, too, we have to face the fact that from the mid '60's to the '80's American productivity decreased at an alarming rate, so in order to compete in the world market and even at home, industry was forced to use Robots to increase productivity and efficiency in lieu of having dying industries. Robots are efficient, more accurate than humans, don't take "coffee breaks" and can function indefinitely! Human beings just aren't made that way - God made us superior to any robot or machine man can devise. I don't believe our American ingenuity and initiative will fail us - jobs will be created in arenas not even known as yet and our people will be trained to fill them. Prayer List: When God's people pray together, miracles DO happen. Please add our friends to your prayer list. Mrs. Lula Warren of Belhaven, mother of my neighbor, Wilma Moore, is hospitalized at Pitt Memorial Hospital in Greenville, Rm. 338. Pray that God's Will be done; those listed on the prayer list last week are improving but still need prayer so please remember George Hinton; Sadie Conrad; Larry Jordan; Gil Hilt; Len Koraska; K.J. Copeland; Dee Moor; A.J. Woolney; Mildred Carper; Elton Boswell; Robert Harvey; Jessie H. Davis and little Brad Gosser. Pray for our Nation, its people, and that God will guide the decisions made by our Leaders; remember our missionaries and our Pastor, Rev. Robert S. Harrell and his family.

Friday, Sept. 10th,

"With doubt and dismay you are smitten, you think there's no chance for you, son? Why, the best books haven't been written, the best race hasn't been run..."

No chance? Why, the world is just eager for things that you ought to create.

Its store of true wealth is still meager, its needs are incessant and great; Don't worry and fret, faint hearted, the chances have just begun.

For the best jobs haven't been started, the best work hasn't been done."

This Lord's Day dawned bright and beautiful, the glorious wonder of God's creation surrounded us and filled our souls with awe. 'Twas just right to enter the church of your choice to praise the Lord and thank Him for His countless blessings.

It was a very special day for God's children at Bandon Chapel. Following a delightful Sunday School hour, Bandon's Shepherd, Rev. Robert S. Harrell, welcomed the capacity crowd gathered for our Worship Service, especially our visitors. Pastor Bob announced that this was Dedication Day - the day we dedicate our New Hymnals to the Glory of God. Following the usual order of Worship, he introduced our Music Director, Janie M. Harrell, who expressed appreciation to the Music Committee for their work in selecting the new Hymnals. Then she told just why the Hymnals were so very appropriate for Bandon Chapel, explaining that it contained hymns from all faiths, some golden oldies and some contemporary, something to please everybody. The title is especially appropriate for us - "Hymns for The Family of God". Hymns in this book will enrich our lives and help us to grow spiritually. Our Christian Faith is a singing faith. In closing, she quoted Martin Luther's "A Fair and Glorious Gift", which precedes Page 1 in the Hymnals: "Music is a fair and glorious gift of God... Singers are never sorrowful, but are merry, and smile through their troubles in song. Music makes people kinder, gentler, more staid and reasonable... after theology there is no art that can be placed on a level with music... music is the only art capable of affording peace and job of the heart... the devil flees before the sound of music almost as much as before the Word of God."

Pastor Bob's scripture was portions of Psalm 108, 100 and 150. He explained the various kinds of music used throughout the world in worship concluding by stating that "music lifts our souls to God in praise, awe, reverence, gratitude and submission. Music brings us into closer contact with God."

Rebekah Circle, Rose Smith, Chairman, will meet at the home of Alice Johnson.

Sunday, Sept. 12th, is the annual Fall Church Conference. It will be held following the Worship Service. The Nominating Committee will report and new officers will be elected. A change in the By-Laws will be voted on. The Essence of the change will be to set up the Assistant Treasurer so that if, for any reason, the Treasurer cannot function, the Assistant Treasurer can act in that capacity.

The POA Board will hold its monthly meeting in the Arrowhead Beach Club House. All property owners are invited to attend and give the Board the benefit of your ideas.

The Shrine Fish Fry will be held Saturday from 11 A.M. to 7 P.M. at the Boy Scout Hut in Edenton. Proceeds will go to the Shriners' Hospital for Crippled Children. You may pick up dinners to take home or you may eat them at the Boy Scout Hut. ALL crippled children, regardless of race, color or creed, are welcomed and treated at the Shriners' Hospital. Further, it is not required that the child have any connection at all with the Masonic Order.

SLIMNASTICS Plus! A class for all adult ages will be held in the Arrowhead Beach Club House each Monday at 11:30 A.M., starting Sept. 13th and lasting six weeks, sponsored by the POA. This class is not limited to residents of Arrowhead Beach - all ladies in the area are invited to participate. It will be under the capable direction of Julie Spivey and her assistant, Terry Rothberger. They are planning special treatment for this class, even special music. Ladies, NOW is the time to work on your waist, hips, stomachs, etc - tune up and tone up! Registration will be at the Arrowhead Beach Club House on the 13th. A Registration Fee will be charged. If further information is desired, you may call Julie at 482-8055. See you there!
