

# The Bandon Notebook - Our Country's Heros And Heroines

By Maggie B.  
Hi, Neighbors! Let's pay tribute to the many unsung heroes and heroines in our country today - the Public School Teachers! These individuals are located in every community of America, both rich and poor, and much too often they are thoughtlessly condemned but far too seldom commended. Perhaps I'm selfish for my granddaughter is a public school teacher but I think it should concern every citizen.

Each teacher has devoted a large portion of his or her life in preparation for the job they hold and most of them continue to develop knowledge in their particular field on their own time and at their own expense. Teachers are expected to have the wisdom of Solomon and the patience of Job but it seems that we are unwilling to pay them what they are worth. Their salaries are less than that of many skilled workers, other professional groups and even many laborers! We should be ashamed of this! In today's society, teachers are required to instill in their students many values usually taught in the home - common courtesy, difference between right and wrong, moral values, obedience, etc. In addition, they are expected to be experts in reading, math,

history, science, languages, physical fitness, music, art and many other fields as well as to be knowledgeable on current economics, political and social events. Our teachers must inspire and lead others. They give strength to every aspect of society and are patriotic, sincere, hard-working, law-abiding and community oriented. I'd hate to think of our country without these dedicated individuals.

The Public School Teachers are very special people and deserve our highest respect. We trust to their care our most precious possession - our children, the hope of our future.

Share this poem with me. The author is unknown, but I think it's a fitting tribute:

"A builder builded a temple; he wrought with care and skill;

Pillars and groins and arches were fashioned to meet his will; And men said when they saw its beauty: 'It shall never know decay. Great is thy skill, O Builder, thy fame shall endure for aye.'

"A teacher builded a temple; she wrought with skill and care;

Forming each pillar with patience, laying each stone with prayer. None saw the unceasing effort; none knew of the marvelous plan; For the temple the teacher builded was unseen by the eyes of man.

Gone is the builder's temple; - crumbled into the dust, Pillar and groin and arches food for consuming rust; But the temple the teacher builded shall endure while the ages roll - For that beautiful, unseen temple was a child's immortal soul."

A hazy mist covered the waters of this Lord's Day dawned but the sun was out in all its glory before time to leave home to enter God's House to thank Him for His countless blessings.

Those assembled for Sunday School at Bandon Chapel were joyfully welcomed by Supt. Meta Mason. They were treated to a moving and beautiful lesson, lovingly taught by Deacon Wm. F. Smith, entitled "God Makes a Covenant", Gen. 15:1-6, 12-18. Aim was that adults will enter by faith into a one-to-one relationship with God - a closer walk with our Heavenly Father who loves each of us.

**Prayer List:** I believe that prayer is the most powerful force in this world today. Please add our friends to your prayer list. Bill O'Neal is back in Walter Reid Medical Center where he will receive a brand new method of treatment for MS. Pray that it will be successful; Samuel Oakes, brother-in-law of Bucky Taylor, suffered a heart attack last week and is confined to the hospital at Farmville; Ella Powell, sister of Garris Perry, is confined to Norfolk General Hospital, Norfolk, Va. for additional treatments. Pray for good results; Lucille English is confined to Obici Hospital, Suffolk, Va. for tests and needs prayer; Lula (Mama) Warren has been sent home from Pitt Memorial Hospital to recuperate in Belhaven. My neighbor, Wilma Moore and her sister, Ernestine, are caring for her. Please pray for "Mama" Warren and that God will grant her daughters the strength they need to care for her; K.J. Copeland is recuperating at home but still needs prayer; Opel Gregory is suffering with a sprained back; please remember George Hinton; Sadie Conrad; Larry Jordan; Gil Holt; Len Koraska; A.J. Woolney; Mildred Carper; Elton Boswell; Robert Harvey; Jessie H. Davis and little Brad Gosser. Pray for our Nation, its people, and that God will guide the decisions made by our leaders; remember our missionaries and our Pastor, Rev. Robert S. Harrell and his family.

"Happy Birthday" was sung by all in honor of Olga

Taylor and Rose Smith as they placed their contributions in our Birthday Bank.

At our Worship Service, Bandon's Shepherd, Rev. Robert S. Harrell, presented a powerful message entitled "The Church - Whose Responsibility?", 1 Peter 4:8-11. Resume: The work of the Church cannot progress unless EVERYBODY shares the responsibility. By the Grace of God, all of us have some talent, however small, that we can put to use in His church. There is always something you can do to help. 1 Peter reminds us that we are all stewards of God's grace. Even though we have elected officials to fill positions in our church, let us not forget that each one of us is responsible for doing our part and using our talents for God's glory.

At the conclusion of the Worship Service, the Annual Fall Church Conference was called to order by Moderator, Pastor Bob, who opened with prayer. The proposed change to the By-Laws was unanimously approved. The proposed budget submitted by the Budget Committee was unanimously approved as a guide for the Board of Deacons. The following new officers for 1982 - 83 were elected: Deacons: Jessie Hitt and Clayton Inskip; Trustee: Jackson Strickland; Secretary of Congregation: Barbara Cullipher; Asst. Sec. of Congregation: Becky Hege; Treasurer: Joyce Jordan; Asst. Treasurer: Trudy Lapham; Sunday School Superintendent: Stanley

Turbyfill; Asst. Sunday School Upt.: Doug Campbell.

Friday is THE night! Covered Dish Supper will be at 6:30 P.M. in Fellowship Hall. Come out and bring your favorite dish or dishes and join in this evening of good food, fun and fellowship. Emma and Clayton Inskip will be our Hosts.

**TIME CHANGES!** By popular demand, the SLIMNASTICS Plus Class held at the Arrowhead Beach Club House will begin at 10 A.M. in the future instead of 11:30 A.M. as originally planned. Classes will be held each Monday and Wednesday for six weeks. It's not too late to join - it's open to ALL ladies in the area. NOW is the time to get back into shape! Our talented instructors, Julie Spivey and Terry Rothberger, make the necessary hard work interesting and FUN!

Our sincere sympathy is extended to the family and friends of Margaret Eash of Toledo, Ohio, sister of Len Koraska, whose soul passed through the veil Friday, Sept. 10th, to a place far more beautiful than words can describe. Her job on this earthly planet was finished. The Master called her home to a place where there is not sorrow or suffering and where she is at peace at last.

About half the meadowlark's diet is insects harmful to man, and the other half, weed seed.
