

Athletic Greats Honored

Twelve former Washington College athletic greats will be honored at ceremonies scheduled for October 15.

The twelve men will be inducted into the Washington College Athletic Hall of Fame during Homecoming weekend. They mark the second group of 12 persons enshrined at Cain Athletic Center here. The first dozen were inducted last year, at the Chestertown, Md., College.

Included is football great Gibby Young, former resident of Edenton.

Young was one of the most colorful athletes to represent Washington College in athletics. In football he was an outstanding quarterback; calling plays, running, passing, punting. He played deep safety on defense. In a game against Johns Hopkins in 1934 he brought a kickoff back 102 yards for a touchdown. In track his accomplishments were brilliant: 9.6 in the 100, 7 seconds flat in the 70 yard dash. In the South Atlantic Conference meet of 1936 he won four events and was voted the meet's outstanding athlete.

Athletic Director Ed Athey, all-around performer Stanley Robins, lacrosse standout and former coach Charles Clark and track star Basil Tully will also be honored.

Dedication

Tyrrell County's new public library will be dedicated on Sunday, October 3, at 3 P.M. The speaker for the dedication will be Sen. Melvin Daniels.

The Tyrrell County Library is one of the four libraries that make up the Pettigrew Regional Library system. The other libraries included in the system are the Shepard-Pruden Memorial Library, Perquimans County Library and the Washington County Library.

The new structure for the library was built by the Edenton Construction Company, which is owned and operated by Mr. D. Ross Inglis of Edenton. Construction of the library began in January and was completed in April.

DISASTER DRILL — The Chowan Hospital enacted a mock emergency to test the effectiveness of staff in a disaster situation.

Mock Emergency Drill Practiced

Personnel from the local Fire Department, Rescue Squad, and Police Department were called to Unit B of Chowan Hospital to assist in controlling a "fire" on Tuesday.

This drill was practiced in order to keep hospital staff members and local emergency personnel aware of the proper procedures that need to be followed in the event of a real fire.

The residents of Unit B were taken to Unit C for activities during the "fire". Students from the high school's health careers class began their acting debut by posing as patients. These

"patients" were evacuated via wheelchairs, blanket carry, etc. The disaster was enacted as realistically as possible.

Local radio stations, emergency personnel, and families of patients were notified prior to the drill to avoid causing any unnecessary anxiety or panic.

Persons participating in the drill will meet to critique the events as they occurred.

This critique will enable hospital staff and emergency personnel to become aware of their strengths and weaknesses in a potential disaster situation.

YES YOU CAN!

Things You Can Do If You Try

Just because you or someone you love is handicapped doesn't mean you shouldn't travel. It takes more planning, but a fun-filled vacation is something that every American has the opportunity to enjoy.

Many hotels and restaurants have special accommodations for the handicapped traveler.

and we face the new church year with high hope. Refreshments and good fellowship follow the meeting. Hope to see you there.

LUTHER SKINNER, a man who lived in our community for years, well loved by all, and who gave himself unstintingly to the welfare of others and to Bandon Chapel, was called home Thursday by his Heavenly Father. His earthly mission has been accomplished; now he is face to face with his beloved Savior in a place where there are no sorrows, fears, loneliness or suffering. We extend our deepest sympathy to his family and friends but rejoice for Luther. He'll never have to suffer or walk along again in that beautiful land beyond the Sunset.

Our heartfelt sympathy is extended to the family and friends of Bill O'Neal, husband of Joan O'Neal. His spirit graduated from this earthly plane Thursday to a place more beautiful than angels can describe, where he will be able to walk with a steady gait through the Garden with Jesus. Although Bill had lived in this community only a few

short years, he left his imprint on those who knew and loved him. His earthly task was over. Jesus called him home. We pray that God will give his wife, Joan, and his family, the strength to carry on. We rejoice for Bill for he is whole again - no more pain, worry or suffering. He is at peace.

Our sincere sympathy is extended to the family and friends of K.J. Copeland whose soul passed through the veil Thursday to a place beautiful beyond mere words, where there is no suffering nor pain, and where he will be able to walk hand in hand with his Savior. His mission on this earthly planet was finished. God called him home. Because we are human, we mourn for ourselves for we'll miss his presence among us, but we rejoice for Kenneth. He's home at last.

Dear Neighbors, please take time out from your busy schedules to do something good for someone each day. It will give you a feeling of inner peace and just in case they are called by God, you won't have to say "I wish I had done so and so - now, it's too late". Do that "something" TODAY!

The Cupola House Association will hold its annual meeting on Wednesday, October 13, at 3:00 P.M. in the Conference Room of the Municipal Building. All members are urged to attend.
