DU Banquet Is Planned

The Bertie - Chowan Chapter of Ducks Unlimited has announced that its annual banquet will be held at Chowan Golf & Country Club, on October 27-at 6:30 P.M. This fund - raising function should be marked on the calendar by anyone who is interested in the future of North America's waterfowl.

"The Ducks Unlimited success story is really starting to spread around. Banquets much like our chapter event held throughout the country last year contributed towards Ducks Unlimited's national fund - raising effort which raised \$30 million during 1981 along. But what's even more important to realize, is that this national fund - raising total must increase this year if the North American waterfowl habitat race is to be won."

DU's sportsmen - conservationists founders discovered through surveys conducted forty - five years ago that seventy per cent of North America's waterfowl production occurs in Canada. They figured out back in 1937 what holds true today. Since Federal duck stamp dollars cannot be spent beyond U.S. borders, sportsmen funds earmarked for waterfowl conservation are not getting to the places where the great percentage of production takes place. But through Ducks Unlimited's efforts, over \$164 million has been raised in the U.S. since 1937. And 80 cents out of every one of those dollars has been sent to DU (Canada) to reserve some 3 million acres of prime habitat - encompassing over 1,900 wetland projects.

The only problem in all this is that biologists estimate millions of additional acres of habitat must be reserved in order to stabilize North America's waterfowl population. When you consider that habitat today is diminishing due to agricultural and development pressures, and that DU is the only nonprofit conservation organization involved in the Canadian waterfowl habitat race, you can begin to see the significance attached to the organization's fund - raising events.

Tickets to the banquet include a one - year DU membership and a subscription to the organization's magazine. Call Mark Rose at 482-2225 for tickets and further details.

Heart Attack Study Is Underway

A unique opportunity is available to eligible persons nationwide to participate in a program supported by the National Institutes of Health.

The Hyperlipidemia - Atherosclerosis Study is designed to explore the possibility of reversing the disease (atherosclerosis) which causes life threatening heart attacks. You or someone you know may be eligible. Participants must:

- be age 29 through 64
- have had only one heart attack in their lifetime (suffered within the past four and a half years)
- be free of stroke
- be free of diabetes
- not have had heart surgery

Transportation and lodging for participants and one interested family member are free of cost.

The East Coast Center (Maine to South Carolina) is located in Philadelphia, PA. If you are interested, you are urged to contact the Hyperlipidemia Study. Call, toll - free 1-800-362-5244 (Pennsylvania only) and out-of-state 1-800-345-1057.

The Study works closely with each person's private physician.

NORTHSIDE SHOPPING CENTER
EDENTON, N.C.

The first use of the term "Old Glory" to designate the US flag was made by a New England seaman, William Driver. Before setting sail for the Orient in 1831, he had the flag unfurled and said, "I name thee Old Glory!" The name caught on during the Civil War.
