

Consumer Business Guide

Auto - World

Rick White, Owner

For many years, automobile dealers considered "used cars" as a sideline to the business of selling new models. Things have changed in recent years and one of the big reasons is the kind of business operated by AUTO-WORLD. They believe that the used car buyer is just as important as the new car buyer. They are determined to give each customer the finest quality and the best possible customer price. They have a large "family" of customers who return because they know that integrity, service and assurance of quality are passwords here.

The safe way to buy a used car is at AUTO-WORLD, located at 110 South Hughes Blvd. in Elizabeth City, phone 335-1121, because they take personal pride in every used car they sell. We, the editors of this Consumer Business Guide recommend to all our readers that they visit AUTO-WORLD where you get the most for money when you buy a used car.

North Carolina Solar, Inc.

Arthur Clow, President

If you're serious about saving dollars on energy, the time to act is now. As energy costs go up, the demand for solar energy saving systems will go up and when the demand increases, most always the prices for the systems will increase also.

One example of ways to save on your energy bills is the solar system for hot water heating. Heating water costs the average household 30% of its energy bill. A solar system costs just pennies a month to run the circulating pump, therefore it would cut your energy bill significantly.

So when you decide you're serious about saving energy and cutting energy cost, we suggest you give NORTH CAROLINA SOLAR, INC. a call at 771-5211, or stop by on Hwy. 343 in South Mills.

NORTH CAROLINA SOLAR, INC. also offers a complete line of wood burning stoves featuring CRAFT and WESTLAND, considered by many engineers and hating contractors to be the finest in the industry.

NORTH CAROLINA SOLAR, INC. also specializes in furniture refinishing and antique restoration with 10 years of experience.

The editors of this Consumer Business Guide would like to compliment NORTH CAROLINA SOLAR, INC. for having two solar homes featured in the recent Governor's Tour and urge our readers to take advantage of the many fine services offered by NORTH CAROLINA SOLAR, INC. today.
