COFFEE ADDS A FESTIVE FLAVOR to the holiday season when you brew spicy Trim-The-Tree Coffee or mold a Creamy Cappuccino Dessert. Ready whenever you are; steaming hot coffee made with the Norelco Ready Brew® II coffee maker.

Special Desserts Make Holidays More Festive

When the Christmas spirit is in the air, the whole atmosphere changes—clothes get dressier, makeup becomes more elaborate, and meals grow more elegant.

To carry out this festive feeling, why not serve special coffees that can make a grand finale to great meal, or help turn a simple late-night snack into a memorable affair. Sometimes a fancy coffee concoction can even replace dessert for people trying to watch their waistlines.

Perfect for a Trim-The-Tree-Party, for example, would be a spicy mocha punch that's delicious by the cup and a fabulous treat poured over ice cream.

If you make the punch in a Norelco Ready Brew II coffee maker, it will have the correct taste for the recipe and maintain it while it stays hot throughout the evening.

An-After-The-Office-Christmas-Party party is a terrific way to treat special friends—and create special of-fice friends. What would hit the spot here is a beautiful light, molded dessert made with brewed coffee, creme de cacao and ice milk.

All you have to do is make the mold the night before, then set up a Norelco Ready Brew II coffee maker timed to be ready whenever you expect to arrive home; and everything will be ready and

waiting for you after the office party.

Many holiday events are not planned; guests just drop in throughout the season. Be prepared by keeping a tray of spirits and spices which guests can add to their coffee.

You might provide cinnamon sticks, whole cloves, sliced lemons and oranges, peppermint sticks, nutmeg, fruit and cream liqueurs and cordials. Everybody then has a fine time preparing original combinations.

Jewelry Makes An Excellent Gift

The magic of Christmas is not over once one is out of childhood. It's also the time when older couples celebrating 30 or 40 or more years of marriage commemorate their union with a diamond anniversary ring for her, while he may be favored

with his birthstone in a ring flanked with diamonds.

All in all, Christmas is a time when many special memories are made—often with small packages from the jeweler that will go on year after year giving pleasure. says The Council.

May the joy of Christ's birth brighten your spirits and lead you to everlasting peace.
