Bumper Stickers Are Available

Friends of Animals, the national animal protection organization, announced that it is offering a bumper sticker aimed at reminding drivers of their improved chances of crashing into terrified animals during the hunting season. The sticker reads "Help Conserve Hunters - Harvest One Today."

"The driving public," the group's president, Alice Herrington said, "should become aware that deer charging across the road in front of cars are only trying to escape a hunter and his bullets. Our 'guesstimate' is that a car's chances of hitting a large animal during hunting season are about 10,000 per cent greater than in the spring and summer."

The solution our bumper sticker proposes," she averred, "is our guarantee that if you point a gun at a hunter and tell him to get back to his own territory, he'll run home and hide in the closet - and that's real conservation, of animals and car drivers."

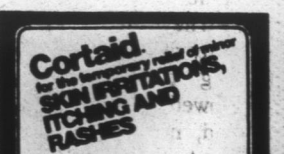

Herrington said the sticker was couched in hunters' language and sent to sports editors, rather than hunting editors, "to stimulate an appraisal of the 'sportsmanship' involved in this mass kill of animals. The sport aspect," she added, "is challenged in another of our stickers 'Support The Right To Arm Bears'. That one," she said, "is the focus of protest by the NRA and the National Wildlife Federation. They call it a 'warped' version of their slogan 'Support the Right to Bear Arms'."

"In our view," Herrington concluded, "the 'warping' occurs in the lack of fair play. How can you call hunting a sport when only one party to the game has a gun. The other player not only doesn't have a gun but doesn't even know that death and injury are a fun game."

Song Service To Be Held

Chappell Hill Baptist Church will have their Annual Watch-Night Service December 31st. The service will begin at 9:00 P.M., and will consist of an old fashion song service with special music being provided by Calvary Pentecostal Church, Happy Home Pentecostal Church, Hunter's Fork Pentecostal Church, Piney Woods Friends Church, Chappell Hill Baptist Church and The Baptist Four Quartet, followed by a time of fellowship among Christians in the Fellowship Hall. The final feature for the night will be a full length film of the full life story of Chris Elkins. Chris Elkins is a young man, who was a typical "All-American Boy" in college. He was on the Dean's list and President of his fraternity. Although raised in a Christian family and regularly attending church, Chris never grew in his faith. Then, one day he met a man in college...someone who seemingly had all the answers concerning God and Chris was directed to the Church of Unification...Chris became a "Moonie". But soon Chris sensed a deception among these people who claimed they were the true church and he sought help and escaped from this devilish cult...This is a true story and one that every young person should see as well as any other person who is weak in their faith to God.

The public is invited to attend.
