

Lady Warriors Starting The New Year Off Right

The Lawrence Academy Lady Warriors started the new year off right by adding three more victories.

On January 4, the Warriors played a very fine Habgord team. With a record of 11 and 0, Habgord was one of the best defensive teams that the Lady Warriors had faced all year. However the Warriors played an excellent game and came out on top 32 to 24. Kathy Rawls led the scoring with 11 points, followed by Toni Hughes with 9. Mary Dee Carroway tossed in 6 points and Gay Bass had 5 with Tammy Nobles adding 1 to round out the scoring.

On Jan. 6, the Lady Warriors played the Northeast Eagles and came out on top 60 to 43. Three girls scored in double figures: Toni Hughes had 18 points, Mary Dee Carroway 12, and Kathy Rawls 10. Gay Bass, Tammy Nobbs, and Susan Hassell each added five points. Cheryl Pierce scored 3 points and Kim Elliott 2.

Toni Hughes hit 8 of 10 from the foul line and Mary Dee Carroway made 6 of 7 from the field for their best shooting performances of the year.

On Jan. 7, the lady Warriors traveled to Pungo and played

a fired-up Raidus Team. The Raiders Coach, Hank Stoop, had his team well prepared and they played an outstanding ballgame. After playing three games in four days, the Lady Warriors were a little sluggish but managed to pull it out by a score of 25 to 24. Kathy Rawls led the scoring with 12 points, followed by Toni Hughes with 6, Mary Dee Carroway 4, and Tammy Nobbs with 3. Gay Bass did not score but played a fine game.

Cheryl Pierce made some outstanding defensive plays that contributed in a great way toward the outcome of the game. The Lady Warriors record is now 9 & 0.

The Lawrence Academy J.V. girls defeated Hologood 14 to 11. With a record of 5 & 0, the Lawrence J.V.'s are a far better team than the Hologood game indicated. Coming off a two weeks Christmas break, the girls were rusty and a little off-key. However, any win is a good one and the girls were fortunate to keep their unbeaten record.

Jackie Williford led the scoring with 5 points. Daphne Furlough added 4, Jackie Tetterton and Ingram Lee each had 2 and Caroline Jones 1.

— Test Results —

Juniors from John A. Holmes and the Edenton-Chowan Alternative School showed a marked improvement in the test results of the reading and math sections of the 1982 Competency Tests.

The percentage passing in reading at Holmes improved from 85.0 in 1981 to 98.4 in 1982 and improved at the Alternative School from 40.0 in 1981 to 42.9 in 1982. In the math section the percentage passing at Holmes improved from 87.2 in 1981 to 95.2 in 1982 and at the Alternative School from 40.0 in 1981 to 50.0 in 1982.

The total group of 135 tested consisted of 61 males and 74 females of which 65 were black and 70 white. The test results confirmed that the educational background of parents does influence the performance of their children. The more education the parents have the higher was the per cent passing of students in both reading and math. However the percentage of passing scores for students whose parents finished high school was identical to those whose parents attended school beyond high school.

Peter Marshall To Sponsor Meetings In Washington

The First United Methodist Church in Washington, is sponsoring a series of eight meetings featuring Rev. Peter J. Marshall. Mr. Marshall will preach and teach commencing with the regular Sunday morning service on January 16th and at special services beginning at 7:30 P.M. Sunday night. He will teach at the Church at 10:30 A.M. and at 7:30 P.M. each day Monday through Wednesday, January 19th.

Mr. Marshall is a Presbyterian minister, who has gained national recognition as a teacher on Christian growth and maturity. His ministry is one of conducting preaching and teaching missions in churches across the nation.

His particular emphasis is

the urgent need for American Christians to press beyond shallowness and superficiality in their spiritual lives, and to recover the New Testament fervor and joy of a deep personal relationship with Jesus Christ and with one another. He believes that to follow Him means a personal surrender of lives to His Lordship on a daily basis, which would require Christians to face up to and deal with their sinful natures, and the areas of self that hinder the healing and joy of Jesus from filling and flowing through Believers to others.

Discovering these as the major keys to Christian maturity, coupled with a burden for America's destiny at this crisis point in history, led to his co-authoring with

David Manuel, a book about God's call on this nation and His hand in its founding, entitled "The Light and the Glory." The central theme of the book is that God will only be enabled to save our nation

if America Christians take II Chronicles 7:14 seriously. The meetings are non-denominational and all are invited. Mr. Marshall will be available for personal counselling.
