## 6 PC. LIVING ROOM GROUPS

(PICTURE NOT EXACT SET)

This new group is every bit as solid and comfortable as it looks! But that's because Oakwood designed it especially for family room living and lounging.

Even the construction is special, with features like extra thick button tufted cushions and solid wood frames with a unique burnished finish that highlights every grain pattern.

The cover? Nothing but the finest... 100% Nylon for years and years of beauty!
