

McDonald's Search For All-American Band

AWARD RECIPIENT—Miles Davis, Jr., left, receives the Thad Eure Award from the Secretary of State for whom the award was named. Davis has served as chairman of the First District Young Democrats and is presently President of the Bertie County Young Democrats.

CHICAGO—A nationwide search is on for 104 of this country's best young musicians, to represent their states in the 1983 McDonald's All-American High School Band. The prestigious musical unit will perform in some of this country's most noted parades, including Macy's Thanksgiving Day Parade in New York City and the Tournament of Roses Parade in Pasadena, California.

Each year, high school band directors throughout the U.S., Virgin Islands and Puerto Rico are invited to nominate their two most talented students to the All-American Band. Official nomination forms have been mailed to 26,000 band directors.

From the thousands of nominations received, a select group of 104 musicians — two from each state and the District of Columbia, plus one member each from the Virgin Islands and Puerto Rico are chosen to be members of the All-American Band.

A committee of music educators selects the 104 members based on the nominating band director's recommendation, musical honors and achievements, audition tapes and the Band's instrumentation and state representation requirements. The final 104 members of the 1983 Band will be announced in early October.

McDonald's All-American High School Band was created in 1967 to honor talented high school musicians with the same "all-American" status bestowed on athletes. For 17 years, the All-American Band program has brought 104 musicians together to share unique performance and educational experiences, with all expenses paid by McDonald's Corporation.

In addition to national performance opportunities, Band members are able to audition for music scholarships to distinguished educational institutions such as the New England Conservatory of Music in Boston, Shenandoah College and Conservatory of Music in Virginia and the National Music Camp at Interlochen, Michigan. Yamaha Musical Products, Inc. awards a new, professional-model instrument to an outstanding player in the band, and provides all

euphoniums, sousaphones, percussion, combo keyboards and other combo products used by the band. Dr. William Foster, director of Bands and Chairman of Florida A&M University's music department, is the 1983 McDonald's All-American High School Band director. According to Foster, the goal of the program is to provide an outstanding musical and educational experience for every young person in the All-American High School Band program.

"Discipline, determination, motivation and hours of hard practice are necessary requirements for musical excellence," stated Foster. "McDonald's All-American High School Band program recognizes these attributes and encourages the pursuit of musical excellence among young musicians."

State Crimes Report Is Released

Att. Gen. Rufus L. Edmisten has released the preliminary statewide crimes report for 1982 and called the 2 per cent increase over 1981 moderate when compared to double-digit increases of earlier years; a leveling-off when compared to a two per cent decrease in 1981 against 1980.

"Although these figures show an upward trend over last year, the actual growth rate of crime in North Carolina is slower than it was several years ago when we experienced eleven and twelve per cent increases," Edmisten said in referring to crime index trends for 1980/1979 and 1979/78.

Edmisten said, "Severe economic conditions in 1982 might well have been the major factor in the increase, however, we can just as well attribute the apparent leveling-off in the rate of increase to the professional caliber and competence of law enforcement in North Carolina and the strong support given to them by our citizens."

The comparative trends, compiled by the Police Information Network (PIN), show a five per cent increase in violent crimes (murder, rape, robbery and aggravated assault) and a one per cent increase in property crimes (burglary, larceny and motor vehicle theft).

Arson, included in the PIN report but not in the indexing of reported crimes dropped 11 per cent from 1981.

Robbery led in violent crimes with a nine per cent increase. Aggravated assault was up 4 per cent and murder was up two per cent. Reports of rape decreased four per cent.

Losses of property by larceny increased three per cent while reports of burglary and motor vehicle theft dropped one per cent and 6 per cent respectively.

Noticeable increases in specific categories were shoplifting up 22 per cent, highway and convenience store robberies each up 19 per cent and bank robberies up 15 per cent.

The crime index is comprised of seven major offenses in violent and property crimes which because of their seriousness and frequency of occurrences are more likely to be reported to law enforcement.

The data, contributed to PIN on a voluntary basis by law enforcement agencies in North Carolina, is collected in an effort to provide authorities with as complete a picture of crime trends as possible.

Of the eight North Carolina cities with populations over 50,000 only Greensboro showed an overall decrease (7 per cent) from 1981 and Durham showed no percentage change in the total index. The other major cities in the state showed increases as follows: Charlotte up 11 per cent, Asheville up 7 per cent, Fayetteville, High Point and Winston-Salem each up 2 per cent and Raleigh up 1 per cent.

Edmisten said that while current figures indicate an overall decline in the growth rate of crime, they also "show a need for continued concentration on violent crimes in urban areas" where there was a 6 per cent rise. Rural areas reported a one per cent rise in violent crimes in 1982.

Davis Receives Award

Miles Davis, Jr., of Merry Hill, received the Thad Eure Award for being the most outstanding Young Democrat in the First Congressional District in 1982. This award was presented to Davis by Secretary of State Thad Eure at the Young Democrats Annual First Congressional District Rally.

Guest Speaker for the Rally was State Sen. Robert (Bob) Jordan, a possible Lieutenant Governor candidate in 1984. Sen. Jordan attacked the policies of the Republican Party and the

Reagan Administration. The Mt. Gilead legislator stated that, "We must build plans for 1984 assuring our people that no one there will be forgotten. Always remember, America will not be a good place for any of us to live if it is not a good place for all to live."

Also taking part in the Rally was 6th District Representative John B. Gilliam, III, District Y.D. Chairman Harry Whitley, District Y.D. Secretary-Treasurer Dianne Hardy, and Outgoing Y.D. Secretary-Treasurer Betsy Carson.

Rinker To Speak At Workshop

Rosalind Rinker, author of more than a dozen books with circulation well over two million copies, will be the featured speaker at a prayer workshop to be held at Christ Episcopal Church, Elizabeth City, on April 22, and 23.

Her best-selling book, Prayer: Conversing With God, now in many foreign languages and with 1,000,000 copies in print, identified Rosalind Rinker with conversational prayer, and has placed her in much demand as speaker, workshop leader and teacher in the major denominations across the country. She has taught prayer throughout this country as well as Canada, Taiwan, Hawaii and cities in Europe and Argentina.

The Rinker method of teaching is called by her, Communicating Love Through Prayer, which happens also to be the title of one of her books. Asked why her prayer workshops are so well-accepted by all denominations she quickly replied, "A warmth and love is developed that melts barriers of age, as well as of timidity. I have found that soon everyone is experiencing the joy of prayer as a result of the workshop

participation."

Rosalind Rinker's personal pilgrimage, as a missionary in China for some years, 14 years with Inter-Varsity Christian Fellowship, and teaching, counseling and speaking all across the country, has been an exciting one and her insight into Christian discipleship comes from her rich experiences. She shares them well and they are woven into her messages and her books. Her newest book on meditation will be published in the Spring of 1981 and will surely have more of the rich and rewarding truths that make her one of God's special people.

The sessions scheduled at Christ Church are open to the public with a registration fee of \$5.00. They begin at 8:00 P.M. on Friday, April 22nd, continuing Saturday, morning through afternoon, with break for lunch. Ms. Rinker will also speak at the 10:30 A.M. workshop service on Sunday, April 24th. For additional information call the church office (338-1686). The church is located at 200 South McMormine Street in downtown Elizabeth City.
