

Bandon Notebook: Everyone Needs Love

HI NEIGHBORS! When people are questioned as to the most important thing in life, a wide variety of answers are received. When they are all boiled down, we find that the basic need of the human

soul is LOVE. Everyone, no matter what their station in life may be, needs to be loved. Helen Steiner Rice penned these words on the "Magic of Love". Share them with me:

*"Love is like magic and it always will be
For love still remains life's sweet mystery!
Love works in ways that are wondrous and strange
And there's nothing in life that love cannot change!"*

*Love can transform the most commonplace
Into beauty and splendor and sweetness and grace!
Love is unselfish, understanding and kind,
For it sees with its heart and not with its mind!"*

*Love is the answer that everyone seeks --
Love is the language that every heart speaks --
Love can't be bought, it is priceless and free,
Love like pure magic is a sweet mystery!"*

earth and all life thereon and in the skies, as well as the waters and seas and life therein. God made man the caretaker of His creations.

We were honored to have three distinguished speakers share with us the Conservation Story. First, Capt. Al Howard, President of the Arrowhead Beach Property Owners Assoc., an able and dedicated man, who has invested many of his retirement years to the task of seeing that our waters become clean and clear like they once were. He emphasized the importance of individual participation and support for the plan developed by the Committee to restore the purity of our waters. He urged folk to become involved in the Streams Watch Program and to become an active member of an organization to see that our waters are kept clean. The importance of pure, clean water cannot be over-emphasized nor the responsibility of each user of our waters to do his or her part to insure that the waters are not polluted.

Second, Sam Cox, Director of all Conservation Work in

North Carolina, emphasized that a large part of our true wealth is our natural resources. He stated "God has richly blessed us. We produce food and products for ourselves and others in this world while some nations cannot feed their people." Having "dominion of everything that God created" means that we are responsible. Land has the ability to regenerate itself - but it must be properly used. Presently, on a national average, we are losing about 4 tons of top soil each year.

Nationwide action is being taken. We must not lose the ability to feed ourselves. Last but not least, Thomas Rogerson, active member of Center Hill Baptist Church, presented the farmers' approach to conservation. Stewardship means much more than just money. Stewardship or conservation of our soil and water requires love. I am a tiller of the soil and I love it. God gave us the responsibility to use these resources - not to abuse them. He wanted us to be

good stewards of His Creation. I am the end result of the scientific findings of Bro. Cox's organization - we put them into practice. "My goal in life is to leave Chowan County better than I found it". We must keep improving all the time.

Pastor Bob concluded by stating "pure air, clean water and fertile soil are all important to the good life we live - but - these are gifts of God and belong to Him. We want to

RURITANS HOLD PIG PICKING—Shelton Stryker and Dalton Furlough are shown above as they prepare for the upcoming Pig Picking.

Ruritans Hold Pig Picking

CAPE COLONY RURITAN CLUB will have a pig picking at the Cape Colony Home Owner's Ass. Club House St. May 28th. Serving will start at 12 Noon and run to 6 P.M. Plates to take out with facilities to eat at the Club House if you wish. The Ladies of the Home Extension Club will have a baked food sale during the day.

This is one of two fund raising events of the year for the Cape Colony Club. The funds raised are used for the

various Community Projects of the Club. Each year the Club sponsors a Boy to N.C. Boy's State and a girl to N.C. Girl's State. They cooperate in many other community projects such as the 4H-FFA livestock show and sale, Farm-City Banquet, Edenton J-Cs Christmas fund, Special Olympics and others. The Club also stands ready to give relief in special cases of need among elderly and needy people in the community on an emergency basis.

Day Care Graduation Set

Pre-school graduation will be held at 7 P.M. Friday at M&M Day Care Center Building on Coke Avenue.

Burke, operators, invite the parents of the pre-school students, their family and friends to attend.

Connecticut is the only state in the U.S. with a law that specifically gives beavers the right to build dams.

Prayer List: When we pray, we ask that God's Will be done for only He knows what is best. Please add our friends to your prayer list. Audrey Kline, mother of Joyce Jordan, underwent vascular surgery at the Portsmouth Naval Hospital, Portsmouth, Va. Monday morning. Pray that the surgery was successful and recovery will be swift; Richard L. Townsend is doing fine following open heart surgery at Norfolk General Hospital and expects to be released later this week; my neighbor, Marion Dennis, is still confined to the Rehabilitation Center of Pitt County Memorial Hospital, Greenville, but is out of bed now receiving therapy. She still needs your prayers; please remember Alice Elliott; Wilford Topping; Percy Harrell, Jr.; Mike Kane; Hilda Strickland; Meta Mason and Ruth Whitley. Pray for our Nation and its people, and that God will guide the decisions made by our leaders and leaders of other nations; remember all missionaries, all churches and our Pastor, Rev. Robert S. Harrell and his family.
