

The Bandon Chapel Notebook - It's Graduation Time

HI, NEIGHBORS! It's Graduation Time again! These enthusiastic young folk are the hope of our future. It is my prayer that they will have faith to believe in the ultimate triumph of righteousness no matter how dark or uncertain the future may seem. To these young people, I would like to say a few words.

The world is YOUR oyster - but - don't expect it to be served up on a silver platter! Initiative, ingenuity, knowledge and hard work are required to achieve any worthwhile goal. Take care of your health - it is a precious gift of God. I would like to suggest:

1. Recognize the GREATNESS of our all powerful God. Appreciate the wonders of His handiwork and protect them. Ask for His help in all things - He'll guide you in the right direction.

2. Remember that every day is a new beginning - new opportunities! Face each day with faith, courage and expectancy. Faith in God, in yourself, your ability and in the goodness inherent in ALL people.

3. Have courage to go forward knowing that, by the grace of God, within YOU is the wisdom, strength and ability to handle whatever may arise.

4. EXPECT - always expect the best. Never listen to your fears but look forward to the unknown with a sense of ex-

citement and well being, remembering that God will be with you all the way.

5. Share the knowledge you have acquired with others. Use your talents well. God gave them to you. What you do with them is your gift to God.

6. Be a good listener - even the dull and ignorant have their story. Be sensitive to the needs, problems and feelings of those you come in contact with. Listening, sharing and caring helps others and benefits you too.

7. Be thankful for that "I need a strength to keep me true and straight in everything I do; I need power to keep me strong when I am tempted to do wrong; I need a grace to keep me pure when passion tries its deadly lure; I need a love to keep me sweet when hardness and mistrust I meet; I need an arm to be my stay when dark with trouble grows my day; And naught on earth can these afford, but all is found in Christ my Lord."

This Lord's Day was a day to "rejoice and be glad in" - the beauty of Nature abounded! 'Twas just right to enter the church of your choice to thank God for his countless blessings.

For Bandon Chapel folk this day was special! Sunday School Supt., Stan Turbyfill and his family, were back in our midst, refreshed from vacation; a meaningful lesson was brought by Wm. F. Smith in which he brought out that Moses needed Aaron as the church needs its people; and little Jamie Turbyfill celebrated his second birthday by placing his contribution in our "Birthday Bank"

which is NOW - not afraid of what may be. The more challenging a task, the more exhilarating its successful accomplishment.

8. Be yourself - YOU are special - and stand by your convictions. Keep peace with your soul and strive to be happy. Let others see Jesus in you.

While browsing through my papers, I found this poem by Theodore Horton, titled "What I Need". It would be good for the Graduate to remember and all of us too:

"I need a strength to keep me true and straight in everything I do; I need power to keep me strong when I am tempted to do wrong; I need a grace to keep me pure when passion tries its deadly lure; I need a love to keep me sweet when hardness and mistrust I meet; I need an arm to be my stay when dark with trouble grows my day; And naught on earth can these afford, but all is found in Christ my Lord."

as everyone sang "Happy Birthday" in his honor.

At our Worship Service Pastor Bob preached a powerful sermon based on Micah 4: 1-4. In our congregation for the first time since major surgery was Hilda Strickland looking fit as a fiddle and down near the front, released from the hospital Saturday, sat Audrey Kline, thankful that her brush with death was behind her. Everyone was delighted to see these visible answers to prayer.

Prayer List: When God's people pray together, miracles DO happen. Please add our friends to your prayer list. Wm. F. (Butch) Smith entered Portsmouth General Hospital, Portsmouth, Va. on Monday for observation and tests; Connie Snell, daughter-in-law of Meta Mason, entered Norfolk General Hospital, Norfolk, Va., on Sunday for possible vascular surgery. Say a special prayer for her; Ruth Whitley needs your special prayers; please remember Audrey and Gene Kline; Marion Dennis; Mildred Cahoon; Wilford Topping; Percy Harrell, Jr.; Mike Kane; Hilda Strickland and Meta Mason. Pray for our Nation and its people, and

that God will guide the decisions made by our leaders and leaders of other nations; remember all missionaries, all churches and our Pastor, Rev. Robert S. Harrell and his family.

The ladies of the BCWG extended their appreciation to everyone who donated baked goods and cash donations to their Bake Sale over the Memorial Day Weekend. Enough money was raised to purchase brighter lights for Fellowship Hall. They were installed Saturday along with a ceiling fan for the Choir Loft.
