

Rev. John Stanley Begins Summer Mission Work

New Quarters For Albemarle Mission

organize a mission in the Cape Colony area under sponsorship of Edenton Baptist Church. He worked under area missionary Rev. Larry McClure and Dr. John Allen, pastor of Edenton Baptist Church.

In June of 1982 three couples opened their homes for evening Bible study led by John. Then in July a Sunday School Class began meeting in temporary quarters in the Airport Building with 27 present. Worship services followed in September.

The group petitioned Edenton Baptist Church for mission status and the church voted in October to sponsor and call Rev. Stanley as pastor and the name Albemarle Mission was taken.

A steering committee was appointed and a search for permanent housing was begun. In March of this year Chairman James C. (Pete) Dail presented a recommendation that the group rent a

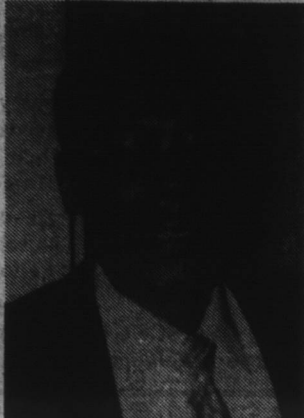

building which had become available near the new armory.

One week later, members had cleared the grounds, removed partitions, painted walls, repaired plumbing, built a pulpit, installed kitchen facilities and erected a steeple.

The present building has two Sunday School classrooms, a chapel with seating capacity for 68, and a fellowship hall.

Average weekly attendance for the new congregation has been 60.

Herman Jernigan

Jernigan Is Honored For Dedication

The evening of Wednesday, June 1st, was a very special night as family and friends of Herman Jernigan joined him in Walker Cafeteria in celebrating his retirement from the Edenton-Chowan Schools after 31 years of faithful and dedicated service. In his service as custodian, Herman Jernigan helped train five principals and eight superintendents, while helping over 20,000 students go through our schools.

Twenty-four friends and family members roasted and toasted Herman on "this special, special night. Someone has said that the definition of a custodian is one who guards and protects. Herman Jernigan did this, and more, as he even was called on to counsel and teach students on occasion.

Herman Jernigan will be long remembered as one who was oriented to others. As Henry Drummond said, "You

will find, as you look back upon your life, that the moments that stand out are the moments when you have done things for others."
