

Hospital Gets New Phone System

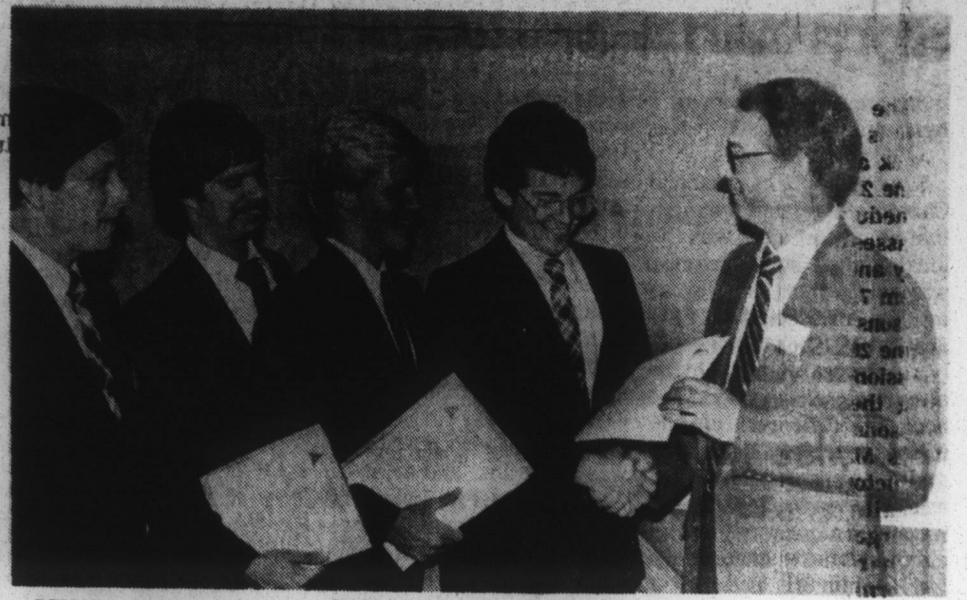

Chowan Hospital entered another phase of growth last week as Electronic Engineering of Norfolk, Virginia, installed an electronic telephone system at the hospital.

The previous system, which was installed when the hospital opened at its present location in October 1970, had met its maximum growth.

Even before the new building program was begun, the hospital had installed the maximum limit of telephones which the system could handle.

When the new beds were officially opened, no lines were available to add telephones to these new rooms. Also, various departments within the hospital were unable to have an adequate number of telephones.

Wednesday, June 1, Johnny Bryan, Hospital Director, states, "The recent change in telephone systems was a major undertaking with numerous telephones being replaced. On behalf of the hospital, we wish to extend our sincere apologies for any and all inconveniences which occurred during the changeover."

SCHOLARSHIPS AWARDED—The Coastal Plains Chapter of the Professional Construction Estimators Association of America awarded three full scholarships to Pitt Community College drafting students during a banquet held in Goldsboro. Those taking part in the presentations were (left to right) Bill Marshburn, President from Rocky Mount; PCC scholarship recipient Marc Cozzens from Edenton; PCC scholarship recipient Parris Coats of Raleigh; PCC scholarship recipient West Eppley of Boone and George Mathis, Chairman of the Education Committee from Kinston.

To Serve Lunch

The Edenton-Chowan Schools will serve breakfast and lunch to children attending the Migrant and Summer School Program at the Ernest A. Swain Elementary School from June 20 to July 29.

Meals will also be served to children under eighteen years of age without cost.

All children attending the program will be treated the same. In operating the program, no discrimination will be made against any child because of race, color, sex or national origin.

Salt has been so precious through the years that many old superstitions relate that spilled salt forecasts future tears.

class of "human" propelled vehicles. The race is designed to offer competition in two categories:

(1) Shortest Elapsed Time - Entries completing the course in the shortest period of time.

(2) Most Humorous - Entries offering the most entertaining design and/or operation.

The vehicles will be on display at 11:00 A.M. on the Green in front of John A. Holmes High School along Broad Street. The celebration will begin at 1:30 P.M. from the display area and parade down Broad Street. The vehicles will make a left on Water Street and enter the water in front of the cannons. They will be required to pass around a marker in the water and back to the cannons. The awards ceremony will follow the race.

Crews are advised to consider the steepness of the area, from land to water, in front of the cannons on Water Street, in their mechanical and safety designs. The race will be from a standing start with the vehicle in a static, motionless state. Push starts are allowed, but all "pushers" must accompany the vehicle throughout the race. In case of rain, the race will still be run because you are going to get wet anyway.

Race rules and regulations and entry forms are available from:

Chuck Smith, P.O. Box M, Edenton, N.C. - 482-7766 or 482-4597.

Jim Butler, Atlantic Forest Products, Edenton, N.C. 482-7451.

Tom Hungate, Belk Tylers, Edenton, N.C. 482-3221.

MINI STORAGE

YOU Lock It Up & Keep The Key
Store Anything, Any Size, Anytime,
As Long As You Need

Open 24 hrs. a day - 365 days per year
(4x8) (4x16) (8x16) or (16x16) To Choose From
Motor Home Or Boat Parking

STORE ANYTHING

At Mini-Storage, you can store almost anything. It's a great place for household goods between moves. (It's cheaper to store with us for a month than rent a moving truck overnight.)

Keep building materials safe and dry during construction or remodeling. It's a safe harbor for your boat or motor home during the cold winter months.

It's a dry storage place for extra furniture or the baby things you can't bear to get rid of.

It's a great place for large, expensive tools, lawn mowers, garden tractors, etc., when you don't need them at home. It's a place for excess inventory from your business, and a place to keep seasonal merchandise until it's back in season.

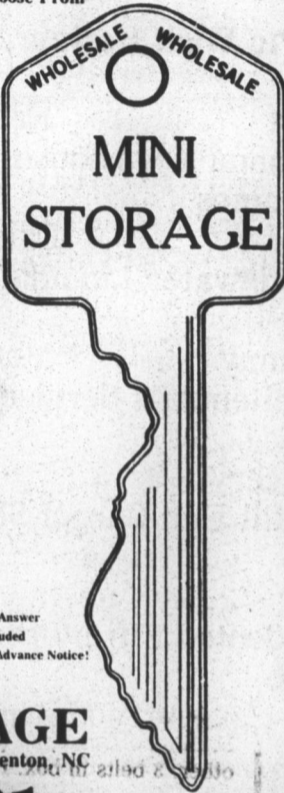

STORE ANY SIZE

At Mini-Storage, you can rent as much or as little space as you need. We have storage spaces available in all sizes, so we can handle almost any storage problem. And you never have to pay for more space than you really need.

Banks & Finance Companies... This is the Answer
Note: Gas or flammable materials excluded
Also Available Vans, Pickups & Moving Trucks on Advance Notice!
