

Letter To The Editor

Dear Sir:
As a transplanted northerner I find it hard to believe that Mr. and Mrs. Howard Taylor blame all their problems on the fact that they are from the North. Moving to an area without any visible means of support, for whatever reason, is just not a smart thing to do.

Yes, Chowan Beach is a lovely setting to stop and see a sunset, but there are large signs designating it a private beach. Knowing someone in Chowan Beach does not make you a guest automatically. That could cover a lot of ground. If there is a next time for the Taylor's perhaps the friends who live in Chowan Beach would accompany them and enjoy the sunset with them.

For the last five years our organization has put a lot of money and labor into making

our park what it is. It is a small beach and with over 300 property owners eligible to use it, opening it up to the public would be impossible. Whether or not they were asked to leave in the manner described, I don't know, but I do know that coming from the North had nothing to do with it.

A public beach at this end of the County would certainly solve a lot of problems. It is a beautiful river and the residents in this area should have a place they could go legally to enjoy it.

I am sorry that the Taylor's are leaving our area with such bad feelings and can only wish them luck wherever they go.

Sincerely,
Mary Maxwell
President
Chowan Beach Recreation Association

Registering A Consumer Complaint

by Theresa T. Ford

If you're dissatisfied with a product or service, you have a right to complain about it.

But there are some methods that are usually more effective than others.
For example, you'll do well to complain at the local level first, for a local dealer will

usually stand behind his products. When you make your complaint, explain to the dealer just how the item or service was unsatisfactory.

Thanks
Perhaps you sent a lovely prayer,
Or, sat quietly in a chair.
Perhaps you brought a piece of chicken,
If so, We saw you there.
Perhaps you spoke the kindest of words,
That any friend could say.
Perhaps you didn't stop at all,
Just thought of us today.

For what you did to help us,
We thank you so very much—
Whatever part you played.

May God Bless All.

NOW...

Olds Delta 88 is the best-selling full-size car in America and the 3rd best-selling car, regardless of size.

Delta 88 Royale Sedan

The family car that didn't forget the family.

It's quite an honor to be chosen number one by America's full-size car buyers, but it's an even greater honor to be named the third best-selling car in America, regardless of size. (Based on model and calendar year figures, through May.) Especially when you stop to think about all the different makes and models manufactured in this country. Hats off to Delta 88!

People choose Delta 88 for a lot of good reasons.

Delta 88 offers the traditional value, room, comfort, quality, features, accessories and looks that today's full-size car buyers desire. Plus, it

offers the right amount of fuel efficiency full-size buyers appreciate these days. With an available V8 diesel, Delta 88 offers a very respectable 37 est. highway and 22 EPA est. mpg.* Yes, Delta 88 has a lot to like about it!

Oldsmobile dealers are #1, too!

With more car sales per dealership than any other domestic manufacturer, Olds dealers were number one throughout 1981 and 1982. Oldsmobile Division congratulates you, and knows what a great selling combination you and the entire Olds lineup, including Delta 88, are making in 1983. Hats off to Olds dealers!

Together we're building a better 1983.

Let's get it together... buckle up.
