Spoonful for a Penny Brings Quick Relief

Prove splendid laxative properties of Dr. Caldwell's Syrup Pepsin by test

SCIENTIFIC test has now proven what Dr. Caldwell of Monticello asserted many years ago, that constipation will slow you up fully 25 per cent. The test was made by Dr. Davidson of Jones family up on four men in the prime of life who deliberately went without a bowel movement for four days. Within 48 hours the men had coated tongues and foul breath, cinders in the mouth, no appetite, restlessness, indigestion, headache, depression, nervousness, cramps. The blood pressure was up 25 per cent. It is just this that Dr. Caldwell prescribed to his patients in 1900, and to the public through the printed word ever since. It became the peach of his specialty because of the standard and lasting benefit it gives.

After observing for years the satisfactory effect of his prescription for constipation, he placed it in drug stores in 1902, a simple capsule composed of Egyptian pepsin and pepsin with pleasant-tasting aromatics, and

ANY FAMILY MAY TRY IT FREE

Thousands of people are asking for this medicine because of its quick and safe relief of constipation. It is a natural and powerful laxative, and it is the only one that is so gentle and so effective. It is the only one that is so easy to take and so pleasant to the taste. It is the only one that is so reliable and so sure.

As Dr. Caldwell's Syrup Pepsin has been used for over 20 years ago, and today over 10 million bottles are bought annually, the largest selling family laxative in the world. You will find it in any drug store you enter, a generous size bottle costing you less than a cent a dose.

Every member of the family from the infant to the grandparent can use it with safety. It is a natural and powerful laxative, and it is the only one that is so gentle and so effective. It is the only one that is so easy to take and so pleasant to the taste. It is the only one that is so reliable and so sure.
