By the fireside still the light is shining,
The children's arms round their parents twining;
From love so sweet, O who would roam?
Be it ever so homely, home is home.

NATIONAL BAY STATE SHOE COMPANY

Wolf Creek

On account of so much rainy weather our farmers are fearfully behind with their spring work.

The peach and plum crop is almost if not a total failure throughout our section on account of the cold weather a few weeks ago, and the apple crop will be light on account of an extra heavy crop last season.

Mr. Very Hyde, while cranking a kicking Ford a few days ago, happened to be too close to "Lizzie" when it became unruly, and as a result he has a broken arm. Moral: Never try cranking the other fellow's car or driving his mule.

Mr. W. L. Garren and sons, Herbert and Howard, who have been operating a saw mill near Cole's Crossing, got the "Bish" knocked out of their saw and have been at home several days while getting it repaired.

Mr. C. W. Bellow, who recently married the divorced wife of Mr. Charles Bell, has lost all interest in Uncle Sam, so far as the mail is concerned, so say his neighbors, as he has not met the carrier a single time since it happened, while before he met him on every trip. Such is life!

Mr. and Mrs. Riley Morgan and son, Elbert, and his wife, Mae, with their little baby, visited relatives in Belton Sunday.

Mr. and Mrs. W. A. Slawson and boys, Kenneth and Keith, visited Dr. L. S. Sawrey, in Panterville, Sunday.

Miss Hilda Rockey, who has been out doing community nursing, has been indisposed for several days.

There was a lot of visiting and cattle hunting through our section Sunday.

Mr. and Mrs. James Verner and children spent the week-end here visiting relatives. They live in the Wehuty section.

Elder B. F. Kneeland, of Knoxville, president of the Cumberland Conference of Seventh Day Adventists, is expected to arrive here Tuesday to meet with the local school board of the Rural School in planning for the work of the school next season.

If anyone has a specific for conditions at Mt. Moriah Sunday School we would be glad if they would pass it on to this community.

Nervous Break-Down

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous break-down of some kind. . . I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, trembly, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say, the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years. Ask for, and insist on, Cardui.
