

LADY GOT SO WEAK COULD SCARCELY STAND

After Suffering From Many Female Troubles This Lady Heard of Cardui and Took It, She Says, "Until I Was Well."

"SOME TIME AGO," says Mrs. Buena McFarland, of R. F. D. 2, Bostic, N. C., "I suffered a great deal with weakness common to women. I had bearing-down pains, my sides and back hurt, and my limbs drew. I would get so weak in my knees I could scarcely stand.

"I was very nervous, and could not rest. I didn't feel like eating. I grew thin, and did not have ambition for anything.

"I had been trying other remedies . . . but did not get any better.

"Some one told us of Cardui, and what it was recommended for. I also

took a Ladies Birthday Almanac and read of a case something like mine. I told my husband to get it and I would try it.

"I saw a great improvement after the first bottle (of Cardui), so I kept it up until I was well. Now I am the picture of health."

Thousands of other women have written, to tell of the beneficial results obtained by taking Cardui, and to recommend it to others.

Cardui has stood the test of extensive use, for more than forty years, in the treatment of troubles common to women.

NEARLY \$14,000 IN PREMIUMS IS OFFERED FOR FAIR

The Scope and Variety of Exhibits Promise to Eclipse Anything Yet Shown

RALEIGH.—Every day in every why interest in the progress of the North Carolina State Fair is growing stronger and stronger, according to General Manager E. V. Walborn, who day by day is working away at his job of getting exhibits in line.

Since Mrs. Edith Vancehill's recent expedition into Eastern North Carolina, Mr. Walborn has had hands full, for in addition to getting the premium list in shape he has many inquiries about the kinds of exhibits desired.

Many housewives are busy getting canning exhibits in shape during these canning days, and many a farmer is keeping a close watch over his corn fields for likely specimens to send to the State Fair. Many a chicken fancier is busy in his poultry yard with a view to entering a blue ribbon this fall. The agricultural end is a big feature of the fair, and is going to be bigger this year than ever before, according to Mr. Walborn.

North Carolina manufacturers are manufacturing great in the plans for enlarged industrial exhibits, he states. Better textile exhibits than ever before are promised while the furniture manufacturers down at High Point, the second largest furniture manufacturing center in America, and up at Demora, the third largest furniture making city in the country, are planning to put their wares in the State Fair map this fall.

Booking wholesale amusement attractions is another one of the jobs to which Mr. Walborn is devoting considerable attention. Mrs. Vancehill will be satisfied with nothing but the best in this line and it is up to Mr. Walborn to get them. He is getting them.

Bible Thoughts for the Week

Sunday.
ABUNDANTLY SATISFIED.—How excellent is Thy loving kindness, O God! therefore the children of men put their trust under the shadow of Thy wings. They shall be abundantly satisfied with the fatness of Thy house; and Thou shalt make them drink of the river of Thy pleasure.—Ps. 36:7, 8.

Monday.
PLATFORM FOR LABOR AND CAPITAL.—All things whatsoever ye would that men do unto you, do ye even so to them; for this is the law and the prophets.—Matt. 7:12.

Tuesday.
SHALL WANT NO GOOD THING.—For the Lord God is a sun and a shield; the Lord will give grace and glory; no good thing will He withhold from them that walk uprightly.—Ps. 84:11.

Wednesday.
IF YE OBEY.—If ye will obey My voice indeed, and keep My commandments, ye shall be a peculiar treasure unto Me above all people; for all the earth is Mine; and ye shall be unto Me a kingdom of priests, and a holy nation.—Ex. 19:5, 6.

Thursday.
AN OLD MAN'S TESTIMONY.—I have fought a good fight, I have finished my course, I have kept the faith. Henceforth there is laid up for me a crown of righteousness.—II. Tim. 4:7.

Friday.
CONSIDER GREAT THINGS.—Fear the Lord, and serve Him: in truth with all your heart; for consider how great things he hath done for you.—I Sam. 12:24.

Saturday.
THE LORD IS GOOD.—Serve the Lord with gladness; come before His presence with singing. For the Lord is good; His mercy is everlasting; and His truth endureth to all generations.—Ps. 109:5.

A Hearty Endorsement.

A clerical-looking person in shabby black appeared at the paying teller's window of a Broadway bank the other day and presented a small check. There was no one else in the line at the moment and the clerk listened patiently to his explanation. It appeared that the clergyman was from the country. He identified himself to the clerk's satisfaction and explained that he was unfamiliar with banking methods. The clerk

pushed the check back through the window and asked the clergyman if he would endorse it. When the check was returned the clerk read on the back the following inscription: "I endorse this check with all my heart"—From Our Mountain Work.

Over 200 miles an hour - with balance

With the finer and finer balancing that designers have achieved in airplanes, their speed has been increased until the record is now well over 200 miles an hour. A real triumph for the principle of balance.

Another similar triumph, less spectacular to be sure but just as important, is the production of a balanced motor fuel. "Standard", the balanced gasoline, is refined and re-refined—with the finest of modern equipment—to give you everything that you need in a motor fuel. Perfect starting—a nimble pick-up—the full power that only clean burning can give you—long mileage per gallon.

Because it is balanced, "Standard" meets every motor fuel requirement consistently and economically.
