The thermometer fell several degrees below zero, some of the household thermometers recording as low as five or six below, it was reported. Sun-ning several accidents and near accidents were reported as a result of explosions of the water backs of stoves. ### WHY THAT LAME BACK?

That morning lameness—those sharp pains when bending or lifting make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Brevard resident's example.

Mrs. S. C. Hale, Whitmore St., Brevard, N. C. says: "I had a bad time with my kidneys and back I had a dull, aggravating ache over my kidneys which made me feel tired out. When I bent to dust or sweep, sharp pains darted through my back and I could hardly straighten. Dizzy spells came before my eyes. Mornings I was tired and ran down and my kidneys didn't act properly. Hearing of Doans Kidney Pills, I got some and they entirely cured me."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hale had. Foster-Milburn Co., Mrs. Buffalo, N. Y.—Adv.
