Severe Pains in Side

"I HAD had quite a bad spell and sickness," writes Mrs. Emma Patrick, of Caney, Ky., "and it was an effort for me to go about my home. I had a very severe pain in my left side that almost took my breath at times. I lost my appetite. I grew thin, pale and lifeless. I fell off till I only weighed about 115 pounds.

"Cardui was recommended to me and by the time I had taken one bottle I saw it was what I needed. I ate more and

rested better. I kept taking it and my skin and flesh took on a more healthy color. I felt stronger and, as the nervousness left me, the pain in my side was less severe. After taking nine bottles, I eat anything, go anywhere and feel fine. I weigh 160 pounds and am well. I feel that I owe it all to having used Cardui.

Pain, in certain parts of the body, is a sure indication of female complications. The treatment needed is not the use of narcotic drugs, but—

Resolutions By Montgomery Lodge No. 48, A. F. & A. M.

We, the undersigned committee, appointed by the Master of Montgomery Lodge No. 426 to draft resolutions of respect to our late worthy Brother T. C. Dickey, a member of the aforesaid Lodge, who departed this life April 16th, 1924, at his home in Murphy, North Carolina, beg to submit the following, viz:

Whereas, it has pleased the Supreme Grand Master of the Universe to call from our midst our highly esteemed and worthy Brother Thomas C. Dickey from labor to an everlasting refreshment. In the passing of Brother Dickey another one of the Land Marks of Cherokee County, North Carolina, has crossed over to the Great Beyond to join his Celestial Lodge above. Brother Dickey was born at the old George W. Dickey Home on Notla River in Cherokee County, North Carolina, May 3rd, 1851, and was married to Miss Nettie Buikitt at Cleveland, Tennessee, June 12th, 1871. Brother Dickey professed hope in Christ in August, 1871, and joined the Baptist church soon afterward in the same year at Snow Hill church near his home being at the time of his death a member of Murphy Baptist Church.

Brother Dickey is survived by his wife, Mrs. Nettie Dickey, of Murphy, N. C., one brother, A. R. Dickey, of Washington, Georgia, and four children, viz., Mr. A. B. Dickey, Post Master at Murphy, N. C., Mrs. Edith Clark of Asheville, N. C., Frank and Fred Dickey of Murphy, N. C., besides many other relatives in North Carolina, Georgia, Tennessee and other parts of the country.

Brother Dickey moved to Murphy, N. C., in April, 1881, where he lived until his death and engaged in the hotel business and other enterprises in the growth and development of Murphy and surrounding country, and has a large circle of friends and acquaintances throughout the country. Brother Dickey belonged to one of the most prominent and oldest families of this section of the State. His father, George W. Dickey, being a member of the Constitutional Convention that framed the Constitution of North Carolina in the days of Reconstruction. Two other brothers served in the Legislature of North Carolina, viz., W. H. H. and A. K. Dickey. Brother Dickey was twice Post Master of Murphy, North Carolina, and was identified in the commercial and business affairs of the country.

In this brief tribute of respect, we can only mention a few of his excellent traits. As a citizen he was just and upright in all the relations of life, firm in his convictions and honest in his dealings with his fellow-men.

On April 5th, 1923, Brother Dickey was stricken with paralysis from which he partially recovered, was again stricken with paralysis April 5th, 1924, followed by another stroke the following day to which he succumbed.

Brother Dickey had been in declining health for several years. Before the end came he bore his afflictions with patience and trusted God.

Resolved First: In the death of Brother Dickey, the Masonic Fraternity has lost a worthy Brother; the Church a consistent member; the Country a highly esteemed and respected citizen, and the family a kind, devoted husband and father.

Resolved Second: That in the death of Brother Dickey, Montgomery Lodge and his family have sustained an irreparable loss, but we bow in humble submission to the will of Him who doeth all things well.

Resolved Third: That Montgomery Lodge tender to the bereaved family our heartfelt sympathy and fraternal regards, and commend them to the mercy of that God in whom he trusted.

Resolved Fourth: That this memorial be spread on the minutes of Montgomery Lodge and published in the Cherokee Scout, and a copy sent to the bereaved family, and also a sufficient number for the benefit of relatives and friends.

Respectfully submitted, JAMES E. GRAHAM, Chm., JOHN L. JOHNSON, SAMUEL S. AKIN.

A Dulpin County farmer taught to cull hens by an extension worker from the State College, killed 26 hens for a neighbor. They were put in a fattening pen and laid seven eggs during ten days. The remainder of the flock is now producing more eggs than the original number because of more feed and better attention.

L&N Taxes Greater Than Dividends

The Louisville & Nashville Railroad's tax bill for the year 1923 amounted to \$6,372,310, or nine per cent more than was paid in dividends to the stockholders of the Railroad who assume all risk and responsibility for the Road's operation.

The L. & N. is called upon each year to make an increasingly heavy payment of taxes to the Federal, State, County and City treasuries throughout the thirteen states in which it operates. Taxes per mile in 1913 were \$93; in 1923 they were \$1,255, an increase of 246 per cent. The investment in L. & N. property in the meantime increased 56 per cent.

The Railroads pay taxes to maintain the government, improve the roads, provide schools and other public institutions, and for varied other purposes; in order to make the country a better place in which to live. It is apparent therefore that the payment of taxes by the railroads retards tremendously to the public interest.

The L. & N. is always agreeable to the payment of its just proportion of taxes, yet it is manifest that it, and the other railroads of the country cannot bear their proper share of such tax burdens and at the same time effect desirable improvements and additions except they be permitted to earn a reasonable return upon the value of their property devoted to transportation service.

The railroads of the United States in 1922 paid more money to the public in taxes than to their stockholders in dividends. Railroad taxes now amount to \$1,000,000 per day.
