7.51 GYPSUM COMPANY OPENS BIG PLANT possible unless Sheetrock had been I N VIRGINIA

now they have had to pay high building more sanitary, n freight rates on wallboards made in the North. The Plasterco mill has easy access to the N. & W., Southern Atlantic Coas Line, Scaboard Aair Line and, through them, all other rail roads covering North Carolina. That insures low-cost deliveries to en cities as well as large centers, and it means that lumber and building supply dealers can get wallplasters, lime finishing plasters, Textone and Sheet-27.00 finishing plasters, texton rock decorator and other products made by the United States Gypsum Company in mixed car lots at carload 11.95 rates.

> sible a higher standard of home build-Because these large sheets are

used. The results were so satisfactory that 500,000 feet more of the wallboard was delivered this summer

rooms were built there in six months.

That quick work would have been im-

construction. It offers a chance for high building more sanitary, more com-
