

# Welcome to Murphy!

The people of this entire section always find a hearty welcome to visit our town on business or for pleasure, but during the next two weeks we expect an unusually large number of visitors and want to take his method of welcoming them and inviting them to make themselves at home with us while here.

Every effort will be made to care for visitors during the Truett meeting from the 10th to the 22nd of August and any merchant, business man or citizen will take pleasure in showing visitors any courtesy possible.
