I should about the ha tabermade and saw there may trace that beresent many to life's long and mysterious doubless. These races lightened as the prescript talked about lesses. I was looking at a very old man, atting near to the platform, his hards tald the stery of hard know. His shift was spoile siy clean, though he were be cost. As Dr. Tructt was pushing of the mystery of sorrow he used this ture sentencer. All the light we get on the problems of life.

netti o, user it was like that—one hing and of the civious prence of the Holy Ghost in the heat; of the people.

Truett gripp d those mountain peo-ple as he brought frequently to bear the thought of the great posts and philosophers, Tennyson, Plato, Sociated Byron, Couper, Milton, and Chieffige—these by quoted. And to that plutform to brought Worker, which, Warren G. January, Dav he set re had given to that con-gregation the best that has beer hought and said in all the reach of

I had borrowed a camera from a cood friend but I am now convinced that I can no more use another per-son's camera than I can shave with mother man's razor.

The pictures were all failures save the two which I have here tried to reprodude and they are very poor. I got some excellent chances and I only regret that I did not have the old reliable. Mrs. Trueit was there. Following the benediction the people pressed to speak to Dr. and Mrs. Truett. It was a sight, I trust before the ten days passes that every mountain bey and girl who attends the every mountain bey and girl who attends the every will. the services will have an opportunity to speak to him.

Of the fine people in Murphy I can ay very little because we away as soon as we had lunch I would try to speak more of the local sit-uation but for the fact that I may get to visit the meeting later and then add these touches. Mr. Abbott and a group of Louisville people are go-ing to Murphy this week to talk with Dr. Truett about the final details of SUNDAY, AUGUST 24, 1924 Dr. Truett about the final details of WORSHIP—11 A. M. and 7:30 P. M. the oLuisville meeting and I hope to make the trip with them. And I rause here to say that Dr. Tructt is looking forward with great pleasure is he told me Sunday, to his visit to Georgia for the meeting at Louis-. I urge the folks within a radius of one hundred miles of Louisville to get the roads in shape and also the cars because they are both going to be used beginning
