WHOLE BODY SEEMED IN ONE AWFUL PAIN

Morse, La.—Mrs. L. P. Lambert, who has been a popular school-teacher here for several years, recently told a visitor of her interesting experiences with Cardui.

"Just before my . . . came on," said Mrs. Lambert, "I would ache all over. My feet, my toes, my arms, hands, head—my whole body seemed to be in one awful pain. I would grow so nervous that I could not hold a cup in my hand. My husband would have to hold my coffee for me to drink. Last fall I was in such a bad condition that I had to spend about three days in bed every month. It seemed to me that I was on my last go-round."

Then one day, said Mrs. Lambert, she happened to read about Cardui and the experiences of some women who had been helped by it. "I felt that Cardui might help me if I tried it," she

continued, "for I had been suffering with similar troubles to those mentioned there. I had heard of Cardui all my life and I knew many women who said they had been helped by it. The very next day I began to take it."

"Very soon after, I began to notice my improvement. I kept on till I felt like a different woman. I gained in weight from 98 pounds to 115 and felt better than I had in years. I took six bottles right along and found it a splendid tonic. My suffering was partly due to a run-down condition and the Cardui stimulated my appetite and helped me to gain the strength I needed. . . . I take a bottle every now and then, even now, just as a tonic to keep up my strength, but I am in better health than I have been in for years."

All druggists sell Cardui. Try it.

quickly clears it.

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nausealess Calomet tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomet, heretofore recommended by physicians. One or two Calotabs at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

Methodists In Annual Conference In Greensboro

The Western North Carolina Conference of the Southern Methodist Church is in session this week in Greensboro, where the annual conference is being held. Rev. D. H. Rhinehart, of the local church, left the first of the week to carry the report of his church to the conference and to take part in the other deliberations of the conference.

Mr. Rhinehart was well pleased with the showing his congregation has made during the year. The new church has been practically completed, the pastor's salary paid, and practically all the conference collections raised. This has been a large task for the local congregation but they have rallied to the fine leadership of their pastor and have asked for his return to them so that the great work that has been begun here might be carried on to completion. At the Greensboro Conference pastors will be assigned to churches. It is understood that several congregations over the state have asked for Mr. Rhinehart to be sent to them, but as the local church has asked for his return, and he has been here only one year and as he is in the midst of a great progressive program, it is considered likely that he will be returned to this church.
