Full-Size

Balloon Gum-Dipped Cords

Read What a Few of Them Say-

and rides easier."—J. L. John-lerthfield, Minn.

ASK any owner of full-size Balloon Gum-Dipped Cords about the comfort, safety and operating economy they are giving him. Let his experiences give you the facts about these wonderful tires. His comments will match these almost word for word.

There are hundreds of thousands of lirestone Gum-Dipped Balloons on the road today. Wherever you drive you see them-and you cannot help but notice the new enjoyment these or ners e getting from their cars.

This immensely increased production has brought about many manufacturing economies, which you can take advantage of today by equipping your car with Balloon Gum-Dipped Cords.

Firestone Dealers are quoting special net sices on the complete job. Trade in your old heels on a new set built for full-size Balloons. In addition get our liberal rebate on your old tires.

Equip now for comfort and economy—as well as for the safety and better car control you will need this fall and winter.

Call on the nearest Firestone Dealer—for in-formation—for your price—and for a quick-carefully-engineered changeover to real Gum-Dipped Balloons.
