Do You Need a Tonic?

Durham, N. Car.—"About fifteen years ago two of my children had whooping cough so badly that afterward their lungs and bronchial tubes were affected from the strenuous coughing. They kept getting weaker and I believe would have had serious pulmonary affection had it not been for Dr. Pierce's Golden Medical Discovery. I gave them several bottles until they were entirely out of danger and well and strong. I would never hesitate in recommending Dr. Pierce's Golden Medical Discovery as a tonic after any prostrating illness, because it brings permanent strength."—Mrs. Josephine Arthur, 409 Toby St.

Obtain Dr. Pierce's "Discovery" now from your druggist, in liquid or tablets. It can safely be given to little folks as it contains no harmful ingredient. Write Dr. Pierce, President Invalids' Hotel, Buffalo, N. Y., for free medical advice.
