Weakening Night Coughing Banished Very Simple Way

It is really astonishing how a persistent, exasperating cough that has kept you awake night after night, and is rapidly wearing you down is usually stopped short by a very simple method. Hundreds have found that they can sleep the whole night through undisturbed after the first time they try it.

WANTED—FAMILIES WITH LARGE HOUSEHOLDS OF CHILDREN WHO NEED AND WANT

FIRST—A better chance to educate their children and make a living. SECOND—An opportunity to become better farmers under a practical teacher of agriculture, in an evening school conducted for adults. The school has nine good farms in which families are taken for a period of years. These families must be of good material and the kind that will make good neighbors and citizens of a community.

The school is especially interested in the descendants of early settlers of original stock who need and want to earn and save enough money to purchase their own home in the mountain country.
