GET AT THE CAUSE!

The Advice of a Resident of This Locality Shows the Way

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant headache, headache and dizziness, life is indeed a burden. Duan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Murphy people. Profit by this Waynesville resident's experience:

Shuford Howell, carpenter, R. F. D. No. 4, Waynesville, N. C., says: "My back bothered me so that if I got up from a sitting position sharp pains went across the small of it. Nights, I couldn't rest well and mornings my back was stiff and achy. Duan's Pills rid me of the complaint." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Griffith's "America" To Be Shown Here Monday and Tuesday

Great Historical Picture Revitalizing Scenes in the Making of the American Nation

"America," is to be shown here Monday and Tuesday of next week. This is a great historical picture depicting and revitalizing scenes in the making of the American nation. It brings to life such characters as King George of England, Washington, Paul Revere in his famous night ride, Richard Henry Lee, Patrick Henry, Thomas Jefferson, William Pitt, Samuel Adams, John Hancock, General Gage, Lord North and many other characters of the revolution and early national life of this "new nation conceived in liberty and dedicated to the proposition that all men are born free and equal." The scene is principally laid in the North Country, depicting the stirring times around the old historical city of Boston during the early days of the revolution. Many unfamiliar scenes and incidents are portrayed in this picture, such as the raid of Captain Walter Butler with his band of Indians and Tories across upper New York with the command "Burn all women and children."

Here is a picture that will command the attention of every citizen of the community. It is unparalleled in its historical information. School children will find it will help them to visualize the scenes in the early history of the country, about which they are reading in their histories. Older people will find the picture of tremendous interest as it will bring to mind the early struggles of their country for independence. It will help us all to appreciate more the many privileges we now enjoy because of the sacrifices those early heroes of our country made. The picture will be shown Monday afternoon and night and Tuesday afternoon and night so that every body in the community will have an opportunity of seeing it.

A Farmer Boy

who became famous was Dr. R. V. Pierce. After graduation at college, Dr. Pierce practiced medicine in Pennsylvania and was known far and wide for his great success in alleviating disease. He early moved to Buffalo and put up in ready-to-use form, his Golden Medical Discovery, the well-known tonic for the blood. This strength-builder is made from a formula which Dr. Pierce found most effective in his large practice for those who were anemic, or pale and weak. It contains no alcohol and is an extract of native roots with the ingredients plainly stated on the wrapper. Good red blood, vim, vigor and vitality are sure to follow if you take this Alternative Extract. Dr. Pierce's Golden Medical Discovery clears away pimples and annoying eruptions, tends to keep the complexion fresh and clear. This Discovery corrects the disordered conditions on a sick stomach, aids digestion, acts as a tonic and enriches the blood. Write Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., and receive confidential medical advice free. Send 10c for trial package tablets. All druggists sell the "Discovery," tablets or liquid.

There are but few people today who have not heard something of Chiropractic. People who have tried all other methods of regaining health are turning to the drugless methods. (Nature's way) Not the "single-track" method of doing for the "great uncured", as most practitioners do, but a thorough and scientific method which can be had no where else in this part of the country. Electricity is revolutionizing the healing science, given in a scientific manner with a scientifically constructed machine which produces a beneficial, healing effect that can be gotten in no other way. Investigate as to what it has done for many so-called hopeless cases. In my office I have many testimonials as to what I have done for Asthma, Appendicitis, Stomach-trouble, chronic head-ache, constipation, kidney, spleen and liver trouble and many others. What has been done for others can be done for you. No Drugs, No Pain. Just Nature's way of restoring the body to a healthy condition.
