MURPHY TOWNSHIP S. S. CONVENTION TO BE NOVEMBER 7TH

A Sunday school convention for all the Sunday Schools in Murphy Township will be held with the Peachtree Baptist Church on Saturday, November 7th, according to present plans as announced this week by Township President B. W. Sipe. Most of the other Townships of the County have held conventions since the last County-wide Convention held last summer. President Gary of the County Association is making an effort to have a convention held in every township. These conventions are inter-denominational. All the Sunday schools in Murphy Township are asked to take note of the date and arrange to have large delegates at the meeting, which will last all day. It is hoped that the delegates will bring their lunches and come prepared to spend the day on the grounds. A good program is being arranged. It is hoped to have some good addresses that will be helpful to Sunday school workers as well as to others. The full program will be announced next week. The cooperation of the pastors in the Township is helped to the end that a good convention may be had.

EVANS & LANCE AWARDED SURFACING CONTRACT IN GA.

Evans & Lance, local road building contractors, announced this week that they had been awarded the contract for hardsurfacing the road in Union County, Ga. from Blairville to Young Harris. The contract price being \$30,000.00. The contract was awarded October 17th, work to begin within 15 days, and to be completed within 100 working days. The surface is to be waterbound macadam. It is understood.

EVANS & LANCE ALSO ANNOUNCED THAT THEY HAD FINISHED THE GRADING WORK ON THE NOTLA TOWNSHIP ROAD FROM THE SHOAL CREEK TOWNSHIP LINE TO THE MURPHY TOWNSHIP LINE.

They now have the contract for grading the streets within the limits of Murphy. This work comprises the hill from the L. & N. depot on Hixson Street, a stretch on Peachtree Street in the hospital section, and a stretch on Elliott Street. The work is progressing rapidly and will be completed within about ten days. Mr. Lance stated.

COUNTY TEACHERS MET IN MURPHY LAST THURSDAY

A meeting of the Teachers of Cherokee County was held in the local school building Thursday afternoon, October 15th. There were about fifty teachers in attendance from all parts of the county. Most of the school took a holiday that day so as to allow the children to attend the fair and also on account of the teachers meeting.

County Superintendent A. L. Martin conferred with the teachers in regard to the reading circle work for the year. Also, the teachers were given an opportunity at this meeting to join the North Carolina Teachers' Association and, through it, to work for remedial school legislation and the repeal of good features about the present school law. A goodly number of the teachers joined the State Association.

The question of holding further county teachers meetings was discussed as was also the possibility of holding a county commencement sometime in the spring.

Mr. B. W. Sipe was re-elected President of the County association and Miss Ella Simonds was made Secretary. The next meeting will probably be held in November.

RHINEHART RETURNED TO MURPHY CONGREGATION BY STATESVILLE CONFERENCE

H. G. Elkins, Mrs. E. B. Norvell, L. W. Brittain, J. A. Richardson, W. B. Dickey, Mrs. J. E. Fain, S. D. Akin, R. M. Fain, J. H. Brendle, J. D. Rector and J. D. Hyatt, requested the return of Mr. Rhinehart.

A great work has been accomplished during the two years of Mr. Rhinehart's pastorate here. Since his coming here the local Methodists have spent something like thirty thousand dollars on the new church building, the edifice completed, and they have been worshipping in it for nearly a year and a half. The parsonage has been remodeled and something like twenty-five hundred dollars spent on it, and much added to its appearance and value as a consequence. Approximately fifty new members have been added to the membership of the church, two revival meetings have been held, and the church has been greatly strengthened both materially and spiritually.

"The first year of our work here," said Mr. Rhinehart, "was practically taken up with the material side—the completion of the building and preparing it for worship. The second year was devoted more to the spiritual life of the church, and as a consequence I believe that the church has had a great awakening spiritually."

In discussing plans for the coming year, Mr. Rhinehart said that he hoped to stress more definitely the spiritual development of the church and was enthusiastic over the work here. He has done a definite and lasting service to the community and local Methodists are to be congratulated upon his return.

Rev T. J. Houck, pastor of Andrews, goes to Trinity Church at Thomasville, this year.

SALE OF MUNICIPAL BONDS OF THE TOWN OF MURPHY, NORTH CAROLINA.

The Town of Murphy, North Carolina, offers for sale upon sealed bids or proposals two issues of bonds of the said municipality, both by authority of the Municipal Finance Act, as follows: Forty Thousand Dollars of water bonds, bearing six per cent interest maturing one thousand dollars yearly, beginning three years after date of issuance, for thirty-six years 1928 to 1963, both inclusive, and two thousand dollars in each of the years 1964 and 1965. Twenty Thousand Dollars of Street improvement bonds, bearing six per cent interest, two thousand dollars to mature each year, beginning three years after date of issuance, for six years 1928 to 1933, both inclusive,

and four thousand dollars in each of the years 1934 and 1945.

Bidders may submit proposal for either of said issues or for both, and each bidder must present with his bid a certified check upon an incorporated bank or trust company, payable to the order of the municipality, or of an executive, financial or clerical officer thereof, or a sum of money for or in the amount equal to two per centum of the face amount of the bonds bid for, to secure the municipality against any loss resulting from failure of the bidder to comply with the terms of his bid.

The sealed proposal will be opened in public on the 7th day of November, 1925, at the office of the Mayor of Murphy, in the Library Building in said town, and proposals will be received until that time. Further information can be obtained from the undersigned. This October 22nd, 1925.

B. W. SIPE, Town Clerk, Murphy, N. C.

UPPER BEAVERDAM

Rev. E. L. Beaver preached an interesting sermon Sunday night at Mt. Nebo School House.

Mrs. Ada Dockery of Akron, Ohio is visiting homefolks here.

Frank Crawford of Unaka was a Beaverdam visitor Sunday.

G. O. Radford is very busy hauling lumber to Murphy.

Mr. Gay McJunkins of Coker Creek was a business visitor to Beaverdam Monday.

Mr. J. P. Davidson who has been visiting here for sometime returned to his home in Florida Monday.

A. Z. Roberts made a business trip to Murphy Tuesday.

MARBLE ITEMS

Another herd of young cattle passed through Marble last week; being driven (we suppose) from Andrews to Murphy for shipment. Murphy has a competing freight rate. This gives Murphy quite an advantage over Andrews.

Messrs. Troll & Mintz are building a storage warehouse to their storehouse and putting in a line of feed.

Mr. Sybil Smith, Cherokee Indian Agent, was seen in Marble the last of last week. 'Tis said that the Cherokee

Indian lands are being allotted. We are having lots of rain now. The branches, creeks, and rivers are taking on proportions well pleasing to thirsty cattle, to mill men, and to power men. But our wells continue dry; springs low; and the farmers say that the ground is not wet yet.

Well, Mr. Cole is free by the Court and Jury of both murder and insanity charges.

If a man has murder in his heart—wants to kill somebody in North Carolina, all he has to do to "come clear", is to make ready enough money to do two things, and North Carolina Juries and Courts will turn him loose to go and do it again: The two things he must do with money aplenty is: employ able and influential criminal lawyers to appear for him, and "Doctor Alienist," or others, to swear that he was then insane, or nervous, or excited, or depressed, or had a brain storm, or something unusual. North Carolina Juries may be trusted to do "the sympathy act." But there is no reflection on the lawyers. They have only done their duty. Neither is there any reflection on the courts; they generally rule, hold, find, and charge the law fairly and conscientiously—and our courts are able.

Mr. J. Morgan Kilpatrick drove home a beautiful new Ford roadster latest model, just a few days ago. The car was bought by his son, Sheridan Kilpatrick. This new Ford is sure a graceful beauty.

A number of our community people attended the fair at Murphy. They report a good fair, and an enjoyable time.

Some Ladies—Some of them school teachers who ought to know better—attending the fair, said the fortune-teller "madam" one dollar to tell their fortunes. Some people, if not superstitious, are quite gullible. Barnum, the great showman, has long been quoted as saying, "The people love so well to be humbugged that they love to pay good money to get humbugged."

Mr. J. M. Barnes, of Peachtree, was in Marble the first of the week, and spent a night with his bachelor brother-in-law, Mr. Joe Coffey.

Last Sunday morning was a time of unfavorable weather. But pastor Woodard battled some thirty converts. The Marble people gave their pastor (Woodard) a pounding last Saturday night. Not with sticks; but with chickens, flour, groceries, etc. And he smole a smile that was lovely.

Mr. Sam Parker is tearing down his old barn and building new. Lots of corn made this year on the valley river bottom lands. Mr. Parker tells of six or seven acres of usually wet, non-productive land, on which he is making this year seventy five bushels per acre.

Marble is busy hauling in, loading and shipping lumber, cross ties, and wood. Our farmers, too are busy gathering corn, turning land and sowing rye our people do not sow much wheat. More is the pity!
