Editor The Scout:

Much disappointment was felt when word reached here last week that the Court had given D. R. Bryant only one and one half years for killing Lewis Adams two years ago.

Living near where the crime was committed, and knowing many of the details connected with it, I am surprised to think any court would have "Justice" associated with its name and turn one loose with so small a penalty for so heinous a crime. It is a travesty on Justice. No wonder our Country is filled with crime and criminals, for "Justice is turned aside and equity has fallen in the streets", not only in this case but in many others. Some one has committed a crime against our great state in virtually turning loose a "Red-handed" Criminal to go and imperil the life or lives of other citizens who may disagree with him.

No doubt, in a few months, a petition will be presented to the citizens of our County, asking our good Governor to pardon Mr. Bryant. If such should, fellow citizens, ask yourself this question and then act: "If my father or brother was living back in the mountains some two miles from any public highway and a man should arm himself with a shot-gun and a pocket full of shells and go to his home and find him working near his house all alone and should shoot him down like he was some wild beast of prey, ought he to be a free man again, or should I ask the Governor to release him to commit another like crime against my own immediate family, against my neighbors or the citizenry of my State?" I am sure that there is not a person in this great commonwealth, who knowing the facts connected with this case, would say let him go free, or that he had gotten justice.

While no good citizen can afford to condone the crime of Mr. Bryant, I am sure that all are in sympathy with his good wife, his children and grand-children.

"Because sentence against an evil work is not executed, therefore the heart of the sons of men are set in them to do evil continually." A CITIZEN

METHODIST MEN'S BIBLE CLASS BANQUETED ROYALLY LAST FRIDAY NIGHT

An enjoyable occasion of last Friday night was the annual banquet of the Men's Bible Class of the Methodist Church.

Five or six large long tables were spread in the spacious social room, around which some 150 were gathered. A number of the ladies served a most delicious and appetizing dinner, consisting of three courses.

Dr. J. A. Sharp, president of Young Harris College, was the principal speaker of the occasion. Mr. J. H. Hampton acted as toastmaster, and Rev. T. L. Sasser, of the Baptist Church, Rev. E. G. Clary, of the Presbyterian Church, and Mr. Wirth Sharp, son of Dr. Sharp, made short talks.

The fact that Dr. Sharp had his mind so engrossed in thinking upon the good things that had just been before him and forgot his joke is ample attestation that the banquet was a sumptuous one. Following the benediction, many felicitations were exchanged and all wished the class many happy returns of the occasion.

A Sure, Quick Way to Relieve Rheumatism

Heals Sores, Cuts, Burns Called Mexican Mustang Liniment

No matter how long you have suffered, or how severe the pain, you can get rid of it at once without drugging, and without taking powerful drugs into your system. This is now available to all in the famous Mexican Mustang Liniment. Its great penetrating power is nothing short of marvellous and wherever used, nothing has been found to take its place. It should be applied to the surface of the skin opposite the seat of pain and gently rubbed. There is no sense of smarting or burning like our modern liniments produce—but almost in a jiffy the pain ceases—effected and sore muscles become limber and flexible. Every household should keep this remarkable preparation on hand for quick use when emergency arises—it brings results when everything else fails. Druggists and wholesalers sell Mustang Liniment or can get it for you.

RALEIGH PAPER CARRIES STORY OF BAPTIST MEN'S BIBLE CLASS CAMPAIGN
Under the heading "How Men's Bible Class Was Built," the Raleigh News and Observer carried a story on Sunday morning, Nov. 8, on the Men's Bible Class of the local Baptist Church written by D. W. Sims, general superintendent of the North Carolina Sunday School Association.
The story is more than a column in length, and deals in detail of how the class attendance recently jumped from 26 to 104 in five weeks, when the class was organized on the army plan and colonels, majors and captains co-operated in the campaign.
The story is pointed to with the comment that it was a demonstration of how a "few wide-awake men, with an alert and progressive leader, can build up a large and successful Bible class in the Sunday School."
Mrs. Robert Foister left last week to join her husband in Akron, Ohio.

So Weak Couldn't Stand CARDUI For Female Troubles
My wife's health broke down and for years she was just a physical wreck, says Mr. Thomas Glynn, of Gibson, La. "We did everything we knew, yet she seemed to get worse and worse. She was so weak till she couldn't stand, and had to be carried like a baby. It looked like nothing would save her that had been done.
I began looking around. I knew that Cardui was for women. I decided to try it for her as all else had failed. She couldn't eat, she couldn't sleep, and I was desperate.
After taking a few doses of Cardui, we were so glad to note that she wanted something to eat, and with each bit of nourishment, and each day's doses of Cardui, she grew stronger and got up out of bed. She is now able to cook, and stronger than in a long time."
Cardui has been in successful use for nearly 50 years in the treatment of many common female troubles.
