# New Smoothness—New Features—New Colors....

**Chevrolet again electrifies the world by increasing Chevrolet Values!**

Now in the greatest year in Chevrolet history—building cars in tremendous volume to meet an ever-increasing worldwide demand—Chevrolet continues its successful policy of increasing Chevrolet values!

Everywhere, Chevrolet has been regarded as the world's finest low-priced car. For month after month the public has been sending Chevrolet popularity to new and record-breaking heights—because Chevrolet alone combined all the advantages of quality design and construction with lowest prices.

Now Chevrolet adds to the performance, beauty and completeness of equipment that have been winning the world to Chevrolet—

—by developing the smoothest Chevrolet in Chevrolet history, by enhancing its smart appearance and by adding features which increase the economy and satisfaction of Chevrolet purchase and ownership!

A triumph of engineering science and research, today's Chevrolet is the only low-priced car ever to offer every quality of smooth car performance.

Forty to fifty miles an hour as long as you like without the slightest sense

of fatigue! Remarkable smoothness at every speed! Acceleration that is a delight in traffic! Power that conquers hills and mud and sand—

—such are the almost revolutionary qualities attained by a new and superior method of mounting the motor in the chassis and by a new camshaft with scientifically determined quieting curves.

Arrange for a demonstration! Admire the brilliant beauty of the new and striking Duco colors on every model! Rich Algerian Blue on the Sedan; smart Thebes Gray on the Coach; Alpine Green on the Landau; Dundee Gray on the Coupe; and on all open models, modish Biscay Green. Mark the greater convenience of the centralized throttle and spark control! Note that all enclosed models with their bodies by Fisher now carry an approved stop-light as standard equipment and have a front door pocket.

Then take the wheel—and you will quickly learn that today's Chevrolet with its new smoothness, new features and new colors, is a car that only Chevrolet could build—a value that only Chevrolet could offer.
