JOSEPHINE HEIGHWAY.

John Queen was called to Maryville, Tenn., last week on account of his daughter, Mrs. Tom Foland who unneeday his condition was reported slightly improved, as her many friends throughout East Tennessee will be delighted to learn as Mrs. Folund is a great charity worker and Mission Study teacher in the First Baptist church. Mrs. Foland left here when a girl and moved to Sweetwater, Tenn.

Building for the future of the South THE Development Service of the Southern Railway System is continually studying the problems and op-The agricultural work of the Southern's Development

along the Southern Railway.

portunities of agriculture and industry in the South.

Service takes the form of helpful suggestions concerning farm problems, including methods of cultivation, diversification and rotation of crops, protection from plant disease and insects, breeding and care of farm animals and marketing of farm products. The effort has been to do this along

The industrial work of the Development Service is that of assisting manufacturers to locate close to sources of raw materials, convenient to coal or hydroelectric power, with ities and favorable labor condition

The services of this department of the Southern are at the disposal of all who are interested.

The Southern Railway System, in addition to its busin of carrying the commerce of the South, is cooperating in building the greater South of the future.
