"WE were quite alarmed about mother. She wouldn't eat, was terribly constipated, bilious, and seemed to be fading fast. We thought it due entirely to her 86 years of age. But a neighbor brought over a bottle of Dr. Caldwell's Syrup Pepsin and it was really remarkable how she picked right up, and now she can even dance around with her grandchildren. Now we are never without Syrup Pepsin in the house." (Name and address furnished upon request.)
