"Miss Cherryblossom", tonight at the  
school auditorium.

This map is being used in an advertising campaign by the Carolina-Tennessee Power Company in seeking to attract industries using hydro-electric power to this section. It appeared in an advertisement occupying the whole front cover of the March issue of "Industrial and Engineering Chemistry," and will appear in the April issue of "Chemical and

Matallurgical Engineering" which goes to press about April 5th. Map shown here through courtesy of "Chemical and Metallurgical Engineering."

### R. W. COLLETT

By the death of R. W. Collett, again a Bother Mason, having completed the designs written for him on life's trestleboard has past through the portals of eternity, and received his reward from the Supreme Master.

Whereas; By his passing a place has been made vacant among his many friends that cannot be filled. Swannanoa Lodge 561, and Masonary as a whole has lost a beloved friend.

Be it therefore resolved; First that we bow in humble submission to the will of our Supreme Master, knowing that his will is for our eternal welfare.

Second; That we offer his bereaved wife and friends our heartfelt condolence, and pray that his infinite goodness may bring a speedy comfort to their burdened hearts.

Third; That his exemplary life, wise counsel, and influence linger with us to encourage uplift, and cause us to emulate his honest and noble life.

Forth; That a copy of these resolutions be sent to his bereaved wife, a copy sent to the Orphans Friend, to the Press, and that these resolutions be recorded in the minutes of Swannanoa Lodge No. 561.

Committee: S. C. Cluff,  
S. F. Davidson.

Take a visit to old Japan tonight, in the Musical Comedy presented at the school auditorium by the Music Club.

## TWO NEW BODY TYPES

~ never before such style and smartness  
in a low-priced six

The Sport Roadster \$775

The Sport Cabriolet \$835

Dash, rakishness and sheer value in a four-passenger open car have never been so supremely combined as in the new Pontiac Six Roadster at \$775. Lucerne Blue Duco, striped in Faerie Red. Long, low, graceful lines. Gray shark grain leather upholstery. A swanky rear deck with a spacious rumble seat, a removable top of smart gray material—and, of course, all the power, speed and stamina of the famous Pontiac Six motor!

With its body designed and built by Fisher, the Sport Cabriolet is the lowest priced six-cylinder

car of its type on the market. It is finished in an unusually attractive combination of Duco colors—Brevoort Green on the sweeping crown fenders and upper structure, Cherokee Gray on the body proper. It is upholstered in green leather and handsomely appointed. The rumble seat accommodates two extra passengers. And yet the price is only \$835! If you want Pontiac Six value—and prefer a youthful type of body—come in and see the new Roadster and Sport Cabriolet today!
