**Wrote Dr. Pierce—
 Now She Is Well**

Pritchardville, S. C.—"I had some very bad spells, looked at times as if I would die. I wrote to Dr. Pierce about my condition and he advised me to try Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets' which I did at once. My weight was 120 when I first started taking these medicines, now it is 140. I have had no return of the trouble since taking Dr. Pierce's remedies. I hope these few lines may benefit some one who may be suffering."—Mrs. Annie Joyner, c/o D. C. Shiffield.
