

Bringing up Children

"MY sisters, my sister-in-law and myself all have families, and for years we have all given our children Dr. Caldwell's Syrup Pepsin. We have recommended it hundreds of times and think it just wonderful, not only to bring up children but for ourselves. At the slightest sign of stomach trouble, colds, constipation and when out of sorts, a dose or two is all they need. Truly, it is a family medicine and the stitch in time that saves nine." (Name and address sent on request.)

Constipation, Colds, Coughs, Fevers and Other Perils of Childhood

One dose and mother's anxiety is lifted. The sickest stomach craves the taste of Syrup Pepsin. From infancy to old age the result is certain. Droopy, listless, feverish children respond as if to magic. Headache, stomachache, biliousness, coated tongue, constipation—these are the daily perils for which a host of mothers say Dr. Caldwell's Syrup Pepsin is the safeguard. Sold and recommended by all druggists.

For a free trial bottle send name and address to Pepsin Syrup Company, Monticello, Illinois.

Pains disappeared

"SEVERAL years ago I was badly run-down," says Mrs. John Bunch, R. F. D. 3, Columbia, S. C. "I could not do any of my work. I was so weak I could not wash a dish. My back and sides hurt me at times dreadfully. I dragged around until I finally got down in bed."

Then, explains Mrs. Bunch, she happened to read about Cardui, the woman's tonic, and decided to give it a thorough trial, the results of which she describes below:

"It seemed to reach the cause of my trouble at once. I did not take it long before my appetite began to improve. I gained in weight from 114 pounds until now I weigh 193 pounds. I soon was able to be up around the house. I took up my household duties and was delighted with my returning strength."

"I now do all my own work. The pains in my sides and back have disappeared and I feel like a different person."

Cardui has been helping suffering women for nearly 50 years. Sold by all druggists.
