Compare it for Appearance Performance Price

Only in cars much higher in price will you find such smartness of line, such beauty of design and such elegance of appointment as in the new Chevrolet! Compare its appearance with that of any car at anywhere near Chevrolet's low prices—and then you will know why it has everywhere been acclaimed as the Most Beautiful in Chevrolet history!

The performance of the new Chevrolet is literally amazing. Incredible smoothness at every speed—flashing acceleration that is a delight—effortless shifting of gears—finger-tip steering—remarkable ease of parking. One ride at the wheel, and you will understand why the new Chevrolet has been the greatest sensation of America's greatest industry!

Comparison of delivered prices reveals Chevrolet's value supremacy. Delivered prices are f.o.b. prices plus charges for handling financing, etc. The financing charges of General Motors Acceptance Corporation are the lowest available. Handling charges are in proportion. Thus, Chevrolet delivered prices are even more amazing than the f.o.b. prices.
