## COMMENCEMENT AT LOCAL SCHOOL BEGINS MAY 31ST

Prof. Coates Of University of N. C. To Deliver Commencement Address

The graduating exercises of the Murphy Graded school will be held on Tuesday night, May 31st, bringing to a close the school year of 1926-1927, which has been a year of progress and advancement in many respects. Albert Coates, Associate Professor of Law in the University of North Carolina has been engaged to deliver the commencement address to the graduating class. Mr. Coates was to have delivered the address last year but fell ill upon his arrival in Murphy and was prevented from speaking. The patrons of the school and the people in this section will, therefore, be all the more eager to hear Mr. Coates on this occasion this year, it is thought.

Commencement exercises proper will begin Friday night May 13th, with the presentation of the annual senior play, entitled "Oak Farm". There will be a small admission charge to this play, but the other commencement exercises will be free.

The primary grades will hold their exercises on Friday night, May 27th. As it will be impossible to use all the children of these grades in the exercises on the 27th parents and others interested are asked to attend the chapel exercises on Friday morning, May 13th and on Friday morning May 20th at which times the two first grades will have charge of the exercises. Many of the children who take part in these last two chapel programs will not have parts in the exercises of the primary department on May 27th.

The music recital will be held Friday night, May 20th.

The commencement sermon will be preached by the Rev. G. A. Martin, D. D., pastor of the First Baptist Church of Waynesville. This service will be held on Sunday evening, May 29th, at 7:30 o'clock. The attention of the public is directed to the change in this service from the usual morning hour to the evening. There are several reasons for this change, not the least of which is the fact that the services of Mr. Martin could not be secured for the morning hour on the 29th. It will be cooler in the evening in the school auditorium and it is expected, therefore, that there will be more people to attend than have been attending when held in the morning. The various churches of the Town are expected to forego their services on this occasion and worship in the school auditorium as has been the custom in the past.

On Monday morning, May 30th, the promotion cards will be given the children and seventh grade diplomas awarded to those who are promoted from the seventh grade to high school. Also, at the same time the recitation and declamation contests will be held. The final exercises of the senior class the commencement address, and the awarding of diplomas to the ten members of the senior class will take place Tuesday evening, May 31st. The members of the class are: Jessie McClure, Ruby McCombs, Catherine Miller, Rillia Belle Palmer, Frank Ellis, Carl Hendrix, Loyd Hendrix, Blaine Haney, Glade Lovingood, and James Williamson.

Mr. B. R. Carroll, Ranger, N. C., has been elected principal of Corbett has been elected principal of Corbett Selma, N. C., Johnston, County. Mr. Carroll stated to several of his friends the past week that he had not considered the work yet. He is confined to the near by sections due to conditions of his father's health. His father is very old and very feeble at the very best. He feels that he should be near his father's reach in behalf of him.

Mrs. J. B. Storey is visiting her parents in Commerce, Ga.

## LIONS CLUB TO GIVE POULTRY PROGRAM SOON

Committee Appointed to Draft Resolutions On Death of Dr. Battle of Asheville

Ladies' Night of the local Lions Club was an enjoyable affair of Tuesday night. About thirty Lions and Lionesses were present, including several guests. The ladies of the Methodist Church served an unusually excellent supper. Features of the occasion were readings by Mrs. B. W. Sipe and Mrs. E. C. Maloney.

Following the banquet a short business session was held. By resolution a committee was appointed to have charge of a poultry program to be given sometime in the near future. The dairy program recently given by the Lions was such a success that requests have been made that the Lions sponsor a poultry program, which industry is a subsidiary of the dairy business. R. W. Gray, D. Witherspoon, Dennis Barnett, E. J. Harbison and C. W. Bailey were named as a committee to have charge of this program.

Lion Witherspoon made an interesting talk on the recent death of Dr. S. Westray Battle, of Asheville, and stated that Murphy had indeed lost a friend and well wisher in the death of Dr. Battle. Dr. Battle was a member of the Firm of Battle & Sinclair, who donated the site of Fort Butler to the town of Murphy as a public park. Dr. Battle had large interests and property holdings within the city and had expressed a willingness to donate 25 acres of land also as a hotel site.

A committee was appointed to draw up resolutions and forward to Mrs. Battle and family and also to be spread upon the minutes of the club. The committee was composed of D.
