Mrs. Mallonee Entertains

One of the outstanding social events of the season was the masquerade party given by Mrs. E. C. Mallonee at her beautiful home, "The Maples" last Friday night.

The guests were received on the spacious veranda, given numbers, and directed to the punch bowl, presided over by Mrs. F. C. Hall. The invitations stated that "Mum was the word" and no one was allowed to converse until an appointed time.

Progressive conversation cards were distributed, and this proved an interesting feature of the hour. A telegram contest was next on the program. Each guest was given a Western Union telegram blank containing ten letters, each letter to be the beginning of a ten word telegram. The telegrams were addressed to the different guests, and when read were the source of much applause and laughter. Prizes for this contest were won by Mrs. Willard Axley and Dr. Edw. E. Adams.

The costumes were attractive, varicolored, representing a wide range of characters. Prizes for the best costumes were awarded to Mrs. J. W. Davidson, as Hiawatha, the Indian Chieftain; and J. E. Storey, as a Catholic Priest.

Refreshments consisted of ice cream and cake. Assisting Mrs. Mallonee in entertaining were Misses Lyda and Bess Mallonee, Mrs. F. C. Hall and Mrs. Augustus Deudney.

OFFICIAL GIVES TIPS FOR THOSE CANADA BOUND

So much newspaper publicity has been given the fourtheoning automobile tour which The Atlanta Journal will sponsor early in September over the Appalachian Scenic highway from Atlanta to Montreal and Quebec that travel over the Appalachian is breaking all records, according to reports from points between Atlanta and Quebec.

Already American tourists are beginning to pour into Canada over the Appalachian and a government official has forwarded the Journal the following tips for those who plan excursions into the Canadian provinces: Take your certificate of registration for your car with you. In Canada, at some state lines it is demanded.

"When arriving at United States customs notify the officials, who will issue a clearance slip, which is given to all motorists intending to remain in Canada for a period of days or who intend leaving at another port.

"You will find the United States custom house located at the boundary of the United States and the Dominion. Principal stations are at Rouses Point, New York; Detroit, Mich; Calias, Me.; Holton, Me.; Jackman, Me., and in the far west. United States custom officers are located in the principal border towns.

"Upon arriving at the Canadian customs, present your certificate of registration and you will immediately receive a 30-day touring permit without having to file a bond. This permit is later surrendered to the Canadian customs at whatever port of exit you leave Canada.

"If a stay of more than 30 days is planned, a custom bond must be secured. (Continued on page 4.)

SEEK TO HAVE HIGHWAY NO. 28 HARD SURFACED

Delegation Clay County Citizens Meet With Local Lions Club and Discuss Plans

The Lions Club held their regular meeting Tuesday night in the parlors of the Methodist Church, and after the banquet the regular routine business was taken up and dispensed with.

An important feature of the meeting was the discussion with reference to taking steps to have the State Highway Department hard surface No. 28 from Murphy through Hayesville to the Georgia State line.

A delegation of citizens from Hayesville on invitation met with the local Lions for the purpose of co-operating in this matter. The committee was composed of B. Neal Haigler, Frank Herbert, R. E. Crawford and J. E. Gray.

It was the consensus of opinion that the hardsurface should be concrete, and steps will be taken to secure figures on the amount of traffic and tonnage passing over this road into and from Murphy at three different points.

It was brought out at the meeting that it was the intention or plans of the State Highway Department to put down a water bound macadam top on the road from Hayesville to the county line at Brasstown, leaving the remainder of the road as it is on into Murphy. This would also leave the end from Hayesville to the Georgia line with only a gravel surface, and the citizens of Clay and Cherokee counties are co-operating in an effort to secure concrete all the way.

The amount of tonnage passing over this road into Murphy from Clay County and the upper Hiwassee valley is estimated to be more than that on all other roads combined, and the water bound macadam would not be sufficient to stand up satisfactorily under the heavy traffic which uses this road in getting to and from market.

A committee from the Lions club was appointed to work in co-operation with citizens from Clay county toward securing a concrete surface for this road all the way, and having that link of it on Patterson hill straightened out.

Among other important matters transacted by the Lions was the selection of a motto. Sometime ago prizes were offered for the best three mottoes, one of which was to be adopted by the club. "We Roar For Murphy," won first place, \$2.50 in gold, and was submitted by Miss Hattie Palmer. The two other honorable mention mottoes selected were: "A Greater Murphy," by Miss Menice Payne; and "Know Your Town," by Mrs. G. W. Candler. These were awarded a year's subscription each to the Cherokee Scout.

L. C. Salter, of the North Carolina Department of Agriculture, division of markets, Raleigh, who was here loading a car of poultry from Cherokee and Clay Counties, was a guest of the club and made an interesting talk.
