## EGG HUNT HONOR IS SHARED WITH MURPHY LIONS

Gastonia Club Claims Honor But Local Lions Go Them One Better

The Gastonia Lions Club, in the Lions Magazine for June, claims the honor of holding the only club egg hunt in the State, but it appears that the Murphy Lions Club has gone the roars of Gastonia one better in that the Murphy Club sponsored and paid for themselves without any outside donations an Egg Hunt with real hen eggs. Anyway the honor of the Gastonia club must be shared with the Murphy Lions, as witnesses the following article in the June Lions Magazine:

One of the regular luncheons in Gastonia, N. C., was waived, the members contributing the fee toward the expenses of staging their Easter egg hunt for the children of the city and county. The secretary of the club states that so far as he has been able to learn, it is the first such affair which has been held in that state. However that honor must be shared by Murphy, N. C., where one hundred and twenty dozen real hen eggs were hidden and a hunt staged at a cost of thirty-five dollars to the club. In this instance no donations were asked from merchants or outsiders, the Lions taking care of all arrangements.—The Lion's Magazine for June.

## SUNDAY SCHOOL CONVENTION TO BE HELD JULY 14-15

It is announced by officers of the Cherokee County Sunday School Association that the annual County Sunday School Convention will be held on Thursday and Friday, July 14 and 15, in the Marble Springs Baptist Church, Marble.

Taking part on the program will be the following well known Sunday School workers: D. W. Sims Raleigh, General Superintendent of the North Carolina Sunday School Association, and Miss Ione Alverson, Raleigh, Young People's Division Superintendent of the North Carolina Sunday School Association.

In addition to these outside speakers, several of the best known Sunday School workers in the county will have parts on the program. The convention is interdenominational, and workers from all Sunday Schools in the county are invited to participate in the work. The Cherokee County Sunday School Association under whose direction the convention is being held, is one of the units of the North Carolina Sunday School Association. Each of the 100 counties in the State is now organized into a County Sunday School Association.

In charge of the arrangements for the convention is K. V. Weaver, President of the County Sunday School Association. The officers are requesting the co-operation of all pastors, superintendents and other Sunday School leaders in the effort to make the convention a success.

Following a custom inaugurated several years ago, the officers have announced that again this year a pennant will be presented to the Sunday School having in the convention the largest number of representatives, sixteen years of age and over according to the number of miles traveled. It is expected that there will be much friendly competition for the pennant among the Sunday School of the county.

Stikeleather and Engineer Walker of this district have accepted the invitation of the joint-committee from the Lions Club and Clay County to be here on Tuesday, June 28th, for the purpose of discussing the road situation relative to these two counties. It is expected that a public meeting of both counties will be held jointly.

## NO CHANGE IN CHEVROLET DEALERSHIP

Letter From Zone Sales Manager Corrects Rumor Prevalent Here

The following letter is carried to correct a rumor that has been prevalent in this section for several weeks to the effect that there was going to be a change in the Chevrolet dealership at Murphy.

Messrs. Fred and Hadley Dickey stated they were not contemplating any change and when the rumor came to them they immediately got in touch with the district office, and G. J. Gates, Zone Sales Manager of the Charlotte office, stated that he knew nothing of the rumor concerning a change, and saw no reason why the Dickey Motor Company could not give them just as good representation as they could get at Murphy.

The Dickey Motor Company have been dealers for the popular Chevrolet cars in Murphy for several years, and have built up a splendid business during that time. Last year they sold nearly 100 new cars, and according to the pace set during the first six months of this year bid fair to even a greater record for this year. Since January 1st, they have sold 67 new Chevrolets, which is certainly a record that speaks for itself.

The letter from the zone sales manager follows:

Charlotte, N. C.  
June 15th, 1927.

Dickey Motor Company,  
Murphy, N. C.  
Gentlemen:

Replying to your letter of June 4, which is in reference to certain rumors around Murphy concerning a change in the Chevrolet dealership, beg to advise this is the first time this office has heard of it. I talked to Mr. Fenton some little time ago with reference to how you were getting along and he seemed to think you were making some headway.

I can see no reason whatever why you can not give us just as good representation as we could get at Murphy. All we ask of a Chevrolet dealer is that he keep himself in line with the policies of the Chevrolet Motor Company.

Our experience with the Dickey Motor Company has been very pleasant and we are sorry such rumors have come to your ears to disturb you, but it seems that ever so often some one has a lot to say concerning something they know nothing about.

I wish to take this opportunity to express my regret at not having had the pleasure of visiting you since coming into this Zone, but the time is not far off until I will be in that section and I will make it a point to visit Murphy.

In the meantime, I would suggest that you make all the progress possible and forget anything which you might have heard of a disturbing nature.

Very truly yours,  
G. J. GATES,  
Sales Manager.

## MUSIC CLUB TO GIVE PROGRAM FRIDAY NIGHT

Oseppoff, Native Russian, Young Harris Student-Teacher To Appear With Local Talent in Concert

The program to be rendered Friday night by the Music Club promises to be a real treat for the music lovers of this section. Mr. V. G. Oseppoff, native Russian and violinist par excellence, accompanied by Miss Annie Graham Anderson, will render a number of violin solos, and local celebrities will intersperse the program with vocal and piano solos.

Miss Mary Bell, Mrs. Harry Cooper and Mrs. J. W. Davidson are the local people appearing in the concert.

The Music Club has rendered several programs in the past which have been the source of much applause and favorable comment, and officers believe this program will be the best yet given. It is to be rendered in the school auditorium, and will begin at 7:30. An admission charge of 25 and 35 cents will be charged, the proceeds to go to the benefit of the club.

The eight series of stock in the Murphy Building & Loan Association will be offered during the month of July. Both installment stock and paid up stock will be sold. The installment stock is designed for the salaried man or wage earner. Each share is valued at \$100 and paid for at the rate of 25 cent per share per week. The paid up stock is for the man who has accumulated some money and is looking for a good place to invest it at a good return. The paid up stock earns five per cent interest payable semi-annually and is tax free, thus equaling a taxable security earning more than nine percent per annum. Both classes of stock will help the Association, which in turn will help build up the Town. The Association has thus far been instrumental in building some of the best homes in Murphy and is soon to undertake the financing of another large and substantial home. Those who are interested in saving, or in building a home for themselves, or in helping the community build up and grow, should be interested in the Building and Loan Association. Installment stockholders may borrow to the extent of the face value of their stock for the purpose of building. Any of the members of the Association or of the Executive Committee will be glad to furnish information to anyone on application. Among the members of the Committee are W. M. Fain, W. W. Hyde, J. H. Phaup, J. V. Farnett, R. F. Williamson, B. W. Sipe.
