THE COKESBURY SCHOOL TO BE AT HAYESVILLE

Rev. Chas. S. Plyler has just received the good news of the possibility of having a Sunday School teachers Training School here at Hayesville, beginning on Friday night, May 11th at 8 o'clock at the Methodist Church.

The Western North Carolina Conference has appointed a competent man, Mr. Paul F. Evans, as instructor. Mr. Evans will be in Hayesville in time to arrange and give instructions on the night of May 11th. This is not for the benefit only of the Sunday School teachers who are now teaching, but for all young people and older ones as well. This will be a great opportunity for all who are interested in the Bible and Sunday school in general.

Everybody in the County is invited to attend these classes and make credits.

There will be no charge for this work but those taking the course and receiving the standard credits will pay the small sum of sixty cents for the text-book.

There will be six double class periods, to-wit: Friday night, Saturday night, Sunday afternoon, Sunday night, Monday night and close Tuesday night, May 15th. Everyone is urged to be present on the opening night.

MURPHY TAKES 2 GAMES FROM HAYESVILLE

The Murphy High School came out with the long end of the score in two close games with Hayesville High School this week, one game being played on the local diamond and the other at Hayesville.

The game Wednesday afternoon was played on the local diamond, and resulted in a score of 8 to 5 in favor of the Murphy boys. Thursday afternoon, a seven inning game was played at Hayesville and the score was 2 to 1, in favor of Murphy.

We were unable to get the line up of the Hayesville team in Wednesday's game, but their line up for the game at Hayesville follows:

Murphy	Position	Hayesville
Amos	c	Beal
Barton	p	Scruggs
White	1b	Fowler
Dyer	2b	Kitchens
Brendle	ss	Penladn

MISS BELL GIVES PIANO RECITAL

Greensboro College Senior From Murphy Displays Splendid Piano Technique

OUTLINE OF PROGRAM

Greensboro News, Wed., April 25
An unusually heavy program for a graduate was last night presented in the Odell Memorial by Miss Mary Bell, of Murphy, a senior student in piano at Greensboro college. Miss Bell was heard by a representative college and city audience and was given hearty applause at the close of each number and a generous expression of approval at the close of the program.

Her playing was characterized chiefly by an excellent technique. The delicacy of shading and phrasing was most outstanding, perhaps in the Chopin Etude, the second number of the evening, but were in evidence throughout. Critical hearers seemed agreed that the best performance given by Miss Bell was in the closing concerto in A minor, by Grieg. The orchestral parts in this magnificent number were given on piano and organ by Miss Blanche Burrus and Miss Mildred Town. Miss Bell has been a student with Miss Town.

Other outstanding numbers were those in the modern group, occupying the central part of the program. The program as presented by Miss Bell is given.

Bach—Prelude and Fugue, C sharp major.

Chopin—Etude, E major, Op. 10, No. 3.

Chopin—Ballade, G minor.

Debussy—Clair de Lune.

Debussy—Arabesque, No. 2.

Grainger—Irish Tune From County Derry.

Pierne—Cache-Cache.

Grieg—Concerto, A minor, Allegro moderato.

KILL POTATO BUGS WITH ARSENATE

RALEIGH, N. C. May 4.—Calcium arsenate, familiarly known in North Carolina as an efficient poison for the control of the cotton boll weevil, is also one of the best poisons for the common potato bug or Colorado Potato beetle.

"Calcium arsenate is the cheapest poison that potato growers can use at the present time for the control of the Colorado Potato beetle," says C. H. Brannon, extension entomologist at State College.

"Those who grow potatoes know that this insect can completely destroy the plants in a short while if no control measure is used. Calcium arsenate may be used either as a dust or as a spray and is absolutely effective if properly applied."

In using the material as a dust, Mr. Brannon advises that the potato plants be covered well. The amount to use will depend on the size of the plants and the material may be applied satisfactorily if the regular cotton dusters are used. There is little danger of burning the foliage but too much poison should not be used for the sake of economy. Recent tests show that good control is secured by this method of poisoning. However, it should be kept in mind that the arsenate is not a control for plant diseases but for insects alone.

If desired, a spray may be made by using two pounds of the calcium arsenate to 50 gallons of water. For the grower with only a small acreage, a spray may be prepared by using 10 tablespoonsful to three gallons of water.

In any event, the application of either dust or spray should be started as soon as the beetles appear in numbers and should be continued just as often as the beetles become numerous.

TWO SERVICES AT M.E. CHURCH

The revival at the Methodist Church entered upon a new phase Sunday with the beginning of the second week of a three weeks series of services. During the first week the messages were directed at the church members, the pastor, Rev. H. P. Powell, basing his remarks on the New Testament Church and its activities as recorded in the early chapters of the Book of Acts.

During this week he sought to stir up the church members to greater consecration and activity in behalf of the church and the meeting itself.

Monday night, the message was directed at people outside of the church. Mr. Powell took as his text the words of the Philipian jailer, as recorded in the 13th Chapter of Acts, "What must I do to be Saved," and the answer of Paul, "Believe on the Lord Jesus Christ." It was a powerful and appealing message as has been the preceding ones and there was some response to the invitation at the close.

Mr. Powell is being assisted by a choir leader and soloist.

The services are attracting large crowds from night to night. People from Andrews and other nearby towns as well as from the rural districts are coming to hear this young, though spiritual, leader of the local Methodist Church. Starting last Tuesday morning, there will be morning as well as evening services. The morning services will be based on the miracles of Jesus, beginning with His first miracles.

40 GALLON STILL CAPTURED NEAR SHERIFFS HOME

Sheriff D. M. Birchfield and Deputy Cody Claxton captured a 40 gallon still two miles west of Sheriff Birchfield's home Friday morning, destroyed four barrels and a keg of beer, and a jug and several cans of what is known as low wine. The still was brought to Murphy and placed in the museum of the past.

Sheriff Birchfield said they acted on a suspicion that there was an illicit liquor outfit in the neighborhood where this one was captured. Officers had been noticing frequent visits by parties operating it to a clientele in Murphy, and because of the frequency of the visits, their suspicions were aroused. A search of the mountains near where the parties lived revealed that their suspicions were well grounded.

Four men had made a run Wednesday night, the condition and evidence around the still showed, the officers stated, but no one was on the ground. A pathway or obscure trail led from the site of the outfit and officers followed this trail and tracked four men to a house some distance away. No arrests were made.

A. M. SIMONDS ANNOUNCES FOR SHERIFF

A. M. Simonds, prominent Cherokee county citizen and former Register of Deeds, announces this week as a candidate for the office of Sheriff subject to the coming Republican primary.

Mr. Simonds has been in public life for the past several years. He served as Register of Deeds for two years, and for the past year has been holding the office of county auditor. He has also served as chairman of the Cherokee County Republican Executive Committee.

Mr. Simonds' announcement says that he has had numerous solicitations from friends in the county to make the race, and pledges himself, if elected to give the county a sober and honorable administration of the affairs of the Sheriff's office.
