With Stomach Spells

"I have taken Black-Draught ever since I was a child, and can recommend it as a splendid medicine for family use," says Mrs. Cora Maberry, of Sageeyah, Okla. "My mother used it, in bringing up her family, and after I had a home of my own, I continued to use it, as I thought it was good to give the children.

"My children did not mind tak-

ing Black-Draught, and so when they got upset with stomach spells, or were constipated, I gave them Black-Draught tea.

"They are all grown now and have homes of their own, but I still keep Black-Draught in the house and use it myself when I wake up in the morning feeling dull and headachey, and have a bad taste in my mouth."

In use over 87 years. Price 25c.
