THE CHEROKEE SCOUT

ONE LIFE EACH DAY IS TOLL OF **AUTO ACCIDENTS**

Says Unlighted Carts and Wagons One of Greatest Road Hazards

RALEIGH, Sept 10 .- A life a day, and more is the toll being taken lence that by automobiles in North Carolina as shown by the death certificates filed with the State Board of Health. automobile accidents. Deaths from this cause are exceeding month by month those resulting from typhoid fever and diptheria. And month by month the number grows.

"For the next two months we may expect a heavy increase in automobile accidents, and resulting deaths." Brasstown Nut Dr Chas. O'H. Laughinghouse. State Health Officer, said today discussing this terrific loss of life and property. "Some, of course, The first expedition of the Brassare unavoidable, but the most are town Not Growers' Association startdue to carelessness or gross negli- ed out on Saturday, August 25th, to Directors shall suggest.

due to carelessness or gross negligence.

"Right now one of the greatest hazard of the road is the unlighted carts and wagons. All over Eastern North Carolina tobacco growers are hauling their crops at night in order to have their tobacco ready to go to the warehouse in the early morning. Hardly one in a thousand of the horse drawn vehicles on the roads carries a light. The result will be an increase of collision accidents through all the autumn months."

Witherspoon's farm on the Valley River Road. In spite of the threatent of the warehouse in the best of spirits. Although it began to rain before they reached Murphy, it stopped for a few minutes when they arrived at Colonel Witherspoon's and they were given an opportunity to examine his fine per an and walnut trees, sample his already promised to deed their and solded and sealed all tight by automatic machines. The seal is a cork and netal crown that bolds fast but comes off easily—giv ing you the drink in all its original purity.

5. To resign from Association if Board of Directors find member design to rain before they reached Murphy, it stopped for a few minutes when they arrived at Colonel Witherspoon's and they were given an opportunity to examine his fine per an and walnut trees, sample his have already promised to deed their are planned throughout the fall, and walnut trees on. So as soon as the black soon be a source of pleasure and walnuts are ripe for planting there profit to all its members.

"Today Coca-Cola is bottled entirely by machines Each bottle is sterilized with scalding water and of caustic soda, and then thoroughly land and to take full responsibility rinsed with clear, pure water-all in automatic machines. Each is then uniformly filled and sealed air-tight by automatic machines. The

PROGRAM FOR HICKS REUNION

IN SOFT DRINKS To Be Held at Havesville Septeme ber 22nd—Speakers To Be Announced Later

> The program for the John O. Hicks students reunion as drawn up

10:30-Invocation and Roll Call

Singing by John O. Hicks stu-

Speaking. (Speakers to be named at a later date.)

Noon. Lunch on school ground, Photo of John O. Hicks students. 1:30-Reassemble in auditorium.

Singing by school children. Speaking.

Old time spelling bee. Experience meeting.

Everybody is requested to bring basket of lunch which will be spread together so that everybody will enjoy this part of the program.

A large crowd of former students of Professor John O. Hicks are expected to be present for this occa-sion and many of the older people are looking forward to meeting lots of their former school mates whom they have not seen for years. It is hoped that the weather will be nice and that every former student of this grand old educator will be on
