Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from

Dangerous Business

Our stomach and digestive systems are lined with membranes which is delicate, sensitive and easily injured. It is dangerous business, then, to use medicines containing harsh drugs, salts or minerals, when we are constipated. In addition to the possibility of injuring the lining of our digestive system, these medicines give only temporary relief and may prove habit forming to relieve constipation, take Herbine, the cathartic that is made from herbs, and acts in the way nature intended.
