The KITCHEN CABINET

THIS AND THAT

Some are enjoyed in one season. There is such a variety of canned soups from which to choose that the busy housewife or business woman may select a different soup every day of the month.

The same prepared soups of fresh meat and bones with plenty of vegetables are much more enjoyed when newly prepared. Loveliest soups are made with meat and bones put in a cold water to draw out all the flavor, will give a most tasty and nourishing broth. Add rice, barley, or vegetables of different kinds will vary the flavor as well as the enjoyment. To prepare and serve a good vegetable soup is an accomplishment which is usually of peace.

Thousands of American collectors go to every part of the world. From America has gone from June 1923 to June, 1925, thirteen million pounds of candy was shipped. The world is growing conscious of the value of candy.

The scientists of the United States Naval Observatory who went to the Pacific Coast of Mexico to see the total eclipse of the sun have proved that heliograph is a valuable asset in gaining the confidence and help of savage tribes. Some money means nothing to such semi-barbaric people, candy buys their good will.

A box of candy is always a most appreciated gift from youth to very old age.

Peanut Brittle.—One may make candy in her own home; it is not much work nor does it take a great deal of skill to make the peanut brittle. Take a pound of peanuts, shell, remove the brown husks and roll with a rolling pin until the nuts are like coarse crumbs. Take one pound of sugar, place in a thick iron or heavy aluminum pan over heat and stir until the sugar is well melted, stirring well from the sides of the pan. Add the nut meats with one-fourth of a teaspoonful of salt, mix well and pour onto a buttered baking sheet.

Nellie Maxwell

Origin of Expression

"That Beats the Dutch"

"An American Glossary" by Thornton, gives examples of the use of the expression "That beats the Dutch" as early as 1775, the line "Our cargoes of meat, drink and cloths beat the Dutch" appearing in a "Revolutionary Song" by Bartlett of that date. In the Philadelphia Public Ledger of February 6, 1837, occurs this statement: "That beats the Dutch, saith the proverb; meaning that, as the Dutch beat Old Nick, it is something of an exploit to beat them. Vividly and De Beller's Deskbook of Idioms states that the phrase originated in the days when bitter enmity prevailed between the Dutch and other nations. In this connection, however, it is worthy of notice that most of the expressions that arose out of the struggle between the English and the Dutch in the Seventeenth century were derogatory or derisive; among these are "Dutch courage; to talk Dutch; Dutch comfort; Dutch concert; I'm a Dutchman if I do; Dutch treat; Dutch gold; talk like a Dutch uncle." The saying "That beats the Dutch" is not derogatory and is an American and not an English one, so that it possibly expresses admiration for the fighting qualities of the Dutch in their long struggle with Spain and later with England. Again, as the name "Dutch" is also applied to Germans, it may be a reference to the German mercenary troops of Colonial days.

Right Method of Walking

The public health service says that the correct method of walking is to walk with the toes pointing nearly straight ahead and only slightly out. Correct posture is more like the military attitude at rest—namely, with heels apart, toes almost straight forward, the sides of the feet approximately opposite sides of a square. This attitude gives stability and poise and insures a proper distribution of the weight of the body upon the structures of the feet.

Eliminate Them Altogether

After they have perfected the process of making rubber from potatoes, maybe the scientists can do something with restaurant pie crusts.—Newark Evening News.

Don't neglect your child's COUGH or COLD

Try this milder "counter-irritant."
Good old Musterole now made milder for babies and small children. So pleasant to use and so reliable—apply Children's Musterole freely to the affected area **once every hour for five hours.** That's the safe, sure treatment that millions of mothers and leading doctors and nurses recognize and endorse. Musterole gets action because it is a "counter-irritant"—not just a salve—it penetrates and stimulates blood circulation, helps to draw out infection and pain. That's why this famous blend of oil of mustard, camphor, menthol and other helpful ingredients brings relief naturally. Keep full strength Musterole on hand for adults and Children's Musterole for the little tots.

Costs Much Money to Operate Radio Station

Very few people have any idea of the cost of operating a radio station. To install any kind of transmitting set with power up to 1,000 watts it would cost from \$5,000 to \$20,000. The science of the transmission of sound at the present time is developing so rapidly that a sending set that would be up to date today in six months would be obsolete. The broadcaster must pay studio and office rent of from \$15,000 to \$40,000 a year. The investment on a big station runs from \$750,000 to \$1,000,000. Pick-up equipment costs from \$10,000 to \$15,000. Line charges—that is, for telephone wires to transmit programs—cost approximately from \$10,000 to \$12,000 annually. Electricity amounts to about \$15,000 a year, and there are a number of incidental expenses that run to about \$15,000. Microphones cost at least \$75.

DON'T Trifle WITH COLDS

Sluggish intestinal systems lower resistance to colds. Cleanse them with Feen-a-mint, the modern chewing gum laxative. Gentle, safe, non-habit-forming. More effective because you chew it.

Fixing It Up

"I say, you might do Schmidt a good turn and lend him \$25. His creditor is pressing him very hard." "Oh, to whom does he owe the money?" "To me."—Lustige Blaetter, Berlin.

A good scoutmaster can raise fifteen little boys so that they will be good. Choose your scoutmaster.
