DEMOCRATS VICTORIOUS

RETURNS GIVE GOV. ROOSEVELT 42 OF 48 STATES

Hoover Defeated More Decisively
Than He Defeated Smith
In 1928

The latest available election returns compiled by the Associated Press give Governor Franklin D. Roosevelt 42 states and President Hoover 6. Roosevelt's electoral vote on the basis of returns totals 472 and Mr. Hoover's 59.

This is a more decisive defeat for President Hoover that he administered to Alfred E. Smith in 1928 when Hoover's electoral vote was 444.

The Democratic victories in the United States Senate and Lower House of the National Congress swelled the party majorities in these two branches of government. According to Associated Press reports on the basis of latest election returns, the Senate stands: Democrats, 58; Republicans, 35; Farmer Labor, 1; still in doubt, 2. And Congress stands: Democrats, 275; Republicans, 100; still in doubt, 60.

COOPER CHOSEN FOR IMPORTANT REYNOLDS' POST

Will Act As Washington Representative For Senator

Colonel Harry P. Cooper, attorney and former mayor of Murphey, has been appointed "Washington representative" of Robert R. Reynolds, who was elected to the United States Senate Tuesday, it was announced yesterday. Mr. Cooper's duties, it is expected, will be equivalent to those of head secretary.

Colonel Cooper plans to go to Washington within the next three weeks to make arrangements for opening Mr. Reynolds' office there. In the meantime he will handle correspondence for Mr. Reynolds from his law office at Murphey.

Colonel Cooper, who served for more than two years in the American army in France, was campaign manager for Mr. Reynolds in Cherokee county. He is also district commander.

"The World's Best Friend"
By Dr. George W. Truett
Pastor, First Baptist Church, Dallas, Texas; Former President, Southern Baptist Convention

The nobly useful ministry of the American Red Cross, throughout our nation and the world, has been an untold blessing to needy humanity, and a constant inspiration to all who are familiar with its service. It was said of the world's best friend, "He went about doing good." The concerning the Red Cross. Its peace-time services are no less glorious than its war time records.

Now that the time is at hand for the Roll Call of 1932, let every high privilege to share in the supranationality-loving American count it part of this blessedly efficient organization, which belongs to all the people and serves where needed most.

It has been called the "World's Greatest Mother." It might well be called the "World's Good Samaritan."

EHRINGHAUS GETS COUNTY BY 152 VOTES

Zebulon Weaver Wins Over Crawford
James, Republican, by
168 Votes

The revolution at the polls Tuesday which swept Franklin D. Roosevelt into the White House and eliminated Republican office holders all over the country, reached into the remotest regions of these mountains to elect the entire Democratic ticket in Cherokee county for the first time in fifty-four years.

The Cherokee Democrats received majorities ranging from 3 to 654. Henry Truett was elected by three votes over his Republican opponent, James H. Crisp, while B. L. Padgett received a majority of 654 over W. A. Boyd, the Republican candidate, for Register of Deeds.

The only county office won by the Republicans was that of county coroner. Dr. S. C. Heighway was elected to this office without opposition, receiving 3069 votes. However, it is believed that the Republicans fared much better in the township offices, having won all three Justices and Constable office in Murphey township. The official figures on the township officers were not available for this week.

J. C. B. Ehringhaus carried the county for Governor by a majority of 152 over his Republican opponent, Clifford Frazier. Robert R. Reynolds, Asheville wet, carried the county by 96 votes over his dry Republican opponent, Jake F. Newell. Zebulon Weaver, Democratic candidate for Congress carried Cherokee county over Crawford F. James, Republican, by 168 votes.

Governor Roosevelt carried the county over President Hoover by a majority of 217. Roosevelt received 3348 votes; President Hoover 3131; and Norman Thomas, Socialist, 25. This majority for Governor Roosevelt is made all the more impressive when it is realized that Cherokee county has heretofore gone Republican for the past fifty years by majorities, reaching 900 and over. President Hoover carried the county in 1928 by a majority of 1342 over Alfred E. Smith.

The Democratic majorities for county officers are as follows:

For State Senator: R. A. Patton 118.
For Representative: G. W. Cover, Jr. 224.
For Sheriff: L. L. Mason 238.
For Register of Deeds: B. L. Padgett 654.
For County Commissioners: F. O. Scroggs 158; E. C. Moore 332; T. T. Johnson 55.
For Surveyor: Henry Truett 3.

Corrections

In a recent issue it was stated that all parties involved in the political fights submitted before the mayor. This is incorrect, so far as W. A. Boyd, candidate for Register of Deeds, is concerned. There were no charges against Mr. Boyd, and he did not have to submit. This correction is gladly made, and it is regretted that it was overlooked last week.

In a recent issue of the Scout in reporting a speech by Jake Newell, there were more than 300 people who heard him. In The Scout it was given as 30. This error was caused by one slipper failing to get into the line. We regret that this error was not corrected last week.

ROOSEVELT TURNIPS

Mrs. Clara Sherrill presented the editor with two unusually large turnips which she grew in her garden. One weighed 2 lbs., while the other weighed 1 1/2 lbs. These were about the biggest we have ever seen, and were sure fine eating. Mrs. Sherrill said they were Roosevelt turnips.
