National Treasurer Of President's Ball Thanks Mr. Mauney

Expressions of deep appreciation for the proceeds from the Murphy Ball committee was received last week by Walter Mauney, chairman of the local committee, in a letter from Keith Morgan, national treasurer of the fund raised by the more than 5,000 birthday balls over the country. The letter follows in full:

New York, N. Y. February 8th, 1934.

Mr. W. M. Mauney, Chairman Murphy Birthday Ball for the President Murphey, N. C.

Amount \$127.31

Dear Mr. Mauney: It is with deep appreciation that we acknowledge receipt of your remittance, as indicated above, which represent the proceeds from The Birthday Ball for the President held under your direction.

We will take pleasure in including this contribution in the birthday gift which will shortly be presented to President Roosevelt and which will, in turn, donate to The Georgia Warm Springs Foundation to be used by it for such purposes as he shall indicate.

On behalf of the National Committee, I wish to take this opportunity to express to you and to your co-workers our real gratitude for the splendid leadership and help which you have rendered in connection with our efforts to make the national birthday party such a tremendous success.

In the years to come as the battle under the leadership of our President, against infantile paralysis progresses, I know that you will feel a just sense of gratification in having played such an important part in this worthy activity.

Sincerely yours, KEITH MORGAN, Treasurer.

Bound To Court For Cutting Timber On Indian Lands

Don Haugler, farmer, was bound to the May term of Federal Court at Bryson City Tuesday afternoon on a charge of cutting, removing and selling timber from Indian lands in this county without a permit.

Haugler was given preliminary hearing before United States Commissioner P. C. Hyatt, who fixed his bound at \$300, which he made. The tract of timber from which it is charged the timber was taken is known as the Henson donation and lies about 7 miles west of Murphey.

W. N. Robinson, of Cherokee, forest ranger, in charge of Indian lands, whose office brought the charges on information secured from local citizens, was here representing the U. S. Forest Service.

Funeral Services Held Sunday For Little Austin Chastain

Little Austin Bryan Chastain son of Mr and Mrs. Bryan Chastain took his departure from this world Saturday morning, February 10 at his home on Martin's Creek. He was three months and eleven days of age. The funeral services were conducted at the home by the Rev. C. F. Martin.

Our hearts go out in sympathy to the young parents. He has left a vacancy in the home, but their loss is heaven's gain. He was such a lovely little flower only budded on earth to blossom in heaven. His body was laid to rest in the Martin's Creek cemetery Sunday, February the eleventh.

He leaves a father, mother, little sister, Martha Jean and many relatives and friends to mourn his departure.

Dear little Austin we miss you More than you can know But the dear Lord hath need of you And so we let you go

You are a little smile gathered Close to the Savior's breast There you shall smile forever In that haven of perfect rest.

Made Famous by Song

The Suwanee river rises in the Okefnoke swamps in south Georgia and flows southwest, emptying into the Gulf of Mexico, 12 miles north of Cedar Keys, Fla., after a course of 240 miles. The scenery along its banks is attractive, and the river is celebrated throughout the country by the song "Old Folks at Home."

Pencil Material

Graphite for pencils is mixed with clay and other materials—the more clay used, the harder the pencil.

About Our Lives

Self conquest is the greatest of all victories.

Well Marked Road

It's easy to recognize the way to busy street now. You can tell it by the high hats discarded by returning refugees.—Los Angeles Times

Better Breakfasts

EVERY country has its own special foods, and one way to vary your first meal of the day is to take a leaf out of the menu book of some particular land, and see how well it fits in to the kind of breakfast you prefer. Here is a breakfast at which you can close your eyes and imagine that you are sitting in a picturesque little inn nestling on a hillside grey-green with olive trees stirring slightly under a drenching Spanish sun. But you'll be sure to open them again to get the last forkful of your portion of this foreign breakfast's delicious main dish.

Can't you imagine a scene like the above and the delight of sitting there eating a breakfast like the following:

Baked Apples with Cream Cooked or Ready-to-Eat Bran Cereal Spanish Omelet Toast Coffee

And here's the way to make the main dish:

Spanish Omelet: Add two slices onion, diced, one-half a green pepper, sliced, and the sliced contents of a 4-ounce can of mushrooms to two tablespoons olive oil, and cook gently for five minutes. Add the contents of a 10-ounce can of tomatoes, season highly with salt and pepper, and cook five to ten minutes to reduce the bulk. Spread over a six-egg French omelet, fold over and turn out onto a hot platter. Serve at once. Serves six.*

"This Feature Alone Switched Me To Dodge Trucks"

No Other Low-Priced Truck Has Hydraulic Brakes ... Plus These 17 Other Great Features That Save Gas ... Oil ... Tires ... Cut Upkeep Costs

LOW-PRICED Dodge trucks have been winning buyers four times faster than the rest of the industry. Many of the nation's best known business firms are switching to Dodge. These people are buying on the same basis that you should buy your next truck... they are checking features, comparing Dodge with other low-priced trucks, learning to judge truck value for themselves.

These buyers are finding, just as you will find, that Dodge offers eighteen quality features that actually cost Dodge more money, yet are put there because they will save money for you.

One of these money-saving features is hydraulic brakes that stay equalized, cut tire expense, reduce service costs and cut relining costs. They save in still another way because they are safer, stop smoother and quicker... thus reduce chances of accident.

Another expensive Dodge feature is... DODGE TRUCKS

four piston rings instead of the usual three... this saves gas and oil. Dodge also gives you four main bearings, they naturally cost Dodge more than the usual three, and save money for you by reducing vibration and prolonging engine life.

Roller bearing universals, oil filter, valve seat inserts, air cleaner, crankcase ventilator, double tapered roller bearings in rear wheels, these and many more cost Dodge money while they very definitely and obviously save money for you.

Before you buy any low-priced truck, Dodge urges you to learn the facts. The extra value Dodge gives you is almost incredible 'til you make your own comparison. See your Dodge dealer at once.

*All prices F. O. B. Factory, Detroit. Special equipment including Dual Wheels on 1 1/2-Ton models extra.

DODGE BROTHERS CORPORATION Division of Chrysler Motors, Detroit

COMMERCIAL PANEL—8-CYL.—119 inch wheelbase. Its many great features include—Floating Power engine mountings—valve seat inserts—hydraulic brakes—etc..... \$595* Also, Heavy duty models up to 9 tons payload.
