Miss Haley Landers, Route No. 9, Greeneville, Tenn., Praises **SEMINOLE SYSTEM REGULATOR**

"For two years I had been suffering from stomach disorders and poor digestion and after every meal belching would set in and pains around my heart would almost suffocate me. My life was a burden both to myself and family and I gradually got so weak I was forced to remain in bed much of the time. One day I saw an advertisement in the paper telling about SEMINOLE SYSTEM REGULATOR and I decided to buy six bottles and give it a thorough trial. After the first few doses the belching stopped and digestion improved. I am now taking my third bottle and feel like a new being. SEMINOLE brought me relief after many other remedies that I tried had failed. I cannot speak too highly about SEMINOLE as it is a wonderful medicine."
